United nearing 96%

By WALTER STRANGE
Press-Record Staff Writer
A Tri-Cities Area United Way report luncheon held Wednesday at the YMCA brought happy news. The October 1974 campaign has reached 95.9 per

cent—\$407,593—of the \$425,000 goal.
Drive Chairman George Pulanas, Granite City Steel vice president-administration, announced that the drive will continue for one week. An all-

out effort will be made to bring in the remaining 4.1 per cent, or more, by next Wednesday.
"After reviewing the potential contributions that are still out, I feel that if the cards are all worked we can pick up

additional contributions and put our drive over the top," Pulanas said.
"Next Wednesday we will end the drive with a victory luncheon; but it will take all of us making that final extra effort."
"I want all to know how much I appreciate the work you are all doing on behalf of the United Way agencies."

S. T. "Pete" Nasir, executive director, said, "Some may ask why the urgency in winding the drive up. Our budget committee has not yet allocated funds to member agencies, and we need to know how much money we actually have before we can tell the agencies what they may expect."

"These monies still out represent services to our community, so I am asking for your support to get the cards in by next Wednesday at the very latest."

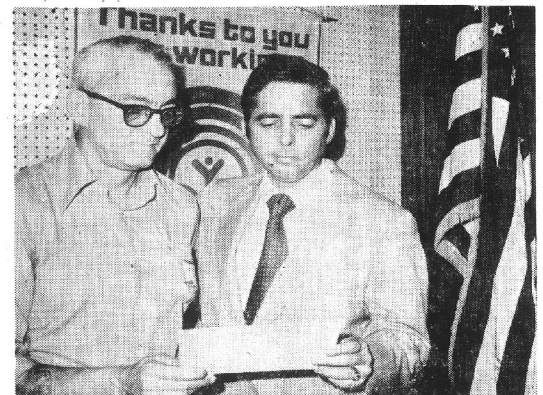

At yesterday's report meeting, totals announced were: Construction Division, \$10,708 or 102 per cent of the division's quota; Industrial, \$306,254 or 92.6 per cent; Mail-Phone, \$13,013 or 91 per cent; Business, \$24,008 or 96.8 per cent; Madison-Venice, \$8,214 or 84 per cent; Civic, \$19,144 or 72.8 per cent; Professional, \$11,083 or 68 per cent; Commercial, \$11,668 or 59.1 per cent; and combined federal campaign, \$3,458.

The final report "Dutch treat" luncheon is set for noon Wednesday at the YMCA.

LONG AWAITED improvement of the traffic signal system and intersection expansion on Nameoki Road at Johnson and Felling roads got under way this week after the Illinois Highway Department awarded a contract for the project. Frank Green of Granite City operates an "arrow hammer" to break away curbing on

the northeast corner of the intersection. This view is looking north from Johnson Road. A new signal system will include left-turn lights to expedite traffic flow. Completion of the work will depend upon the weather, engineers reported. C. D. Peters Construction Co. of Granite City is the contractor.

BIGGER TORCH CLUB GIFT to the Tri-Cities Area United Way, a rise from \$115,000 to \$125,000, was announced at yesterday's campaign luncheon. Accepting the contribution from Granite City Steel employees is Robert Bueglin (right), chairman of the drive's Industrial Division. Making the presentation at the report meeting is Jesse Wise, a blacksmith at the steel plant.

Vandalism at park

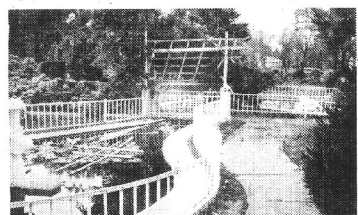

Vandals during the past two weeks have caused extensive damage to fixtures at Wilson Park, many of which cannot be repaired or replaced, Harold Brown, superintendent of parks and recreation for the Granite City Park District, said this week.

Brown appealed to all residents to promptly report to Granite City police any suspicious activities they see in any park.

Brown said officials discovered Monday that extensive damage had been caused by vandals, apparently using heavy clubs or hammers.

Four concrete benches were smashed into pieces, four figurines were broken, a bird-feeder and figurines at the large fishpond were ruined, the trellis at the fishpond was torn apart and five or six trees were destroyed.

The superintendent estimated

WILSON PARK DAMAGE noticed Monday includes this trellis at the fishpond. Parts of the trellis are floating in the water and other lattice work is hanging at an angle. Figurines, benches, birdfeeders and trees also were ruined during the second night of severe vandalism there in a week.

It will cost taxpayers at least \$1,000 to repair what damage

figurines and items contained elaborate designs which cannot be replaced.

"That kind of craftsmanship just does not exist these days," he commented.

The weekend before, vandals broke the head and neck off a popular swan figure in the park and destroyed an elaborate concrete loadstone. Neither can be replaced.

Brown said the park district is not able to afford a security force large enough to cover all areas of the parks at all times.

He requested that residents assist in efforts to fight vandalism in the parks by watching for suspicious activities and reporting them to the police at once.

No sewer protests

By GARY SCHNEIDER
Press-Record Staff Writer
"Homeowners probably will pay more than \$5 per month but less than \$10 per month for sanitary sewers if they tap into the proposed new sewers," Louis Whittell, Nameoki Township supervisor, said during a public hearing on the Four Township Sewer project Tuesday night at Granite City High School North. No environmental objections were voiced at the hearing.

Whittell's estimate was the first that has been given by officials on the sewer committee since the program planning was initiated.

Horace Calvo, bonding attorney for the project, shied away from questions concerning user fees at the hearing, saying, "It would be a disservice to you. The cost will have to be divided among the users for the part that is not in the (75 per cent federal and state) grant."

Edward Juneau of Sheppard,

Morgan and Schwaab, consulting engineers of the program, estimated the basic sewer program can be constructed for \$8 million to \$10 million, and that the local share of the financing should not exceed \$3 million.

That estimate excludes separate sewers for the State

Park Place, Eagle Park Acres and East Madison-Corleau areas.
Whittell told the audience, "Some Granite City aldermen are going into areas and quoting (monthly) user fees far in excess of what we have anticipated."

MITCHELL HALLOWEEN PARADE yesterday featured ghosts, goblins, monsters, Indians, football players, animals, storybook characters and all of the types of creatures which will be appearing at most Quad-City area residents' front doors tonight. The students marched from Mitchell School to the Mitchell Athletic Association fields, then up Greenway Street to Old Chain of Rocks Road which was closed for the march back to the school.

Assail UN

Recognition of terrorists for diplomatic negotiations was strongly assailed Tuesday by the Jewish Federation of Southern Illinois.

"The decision of the United Nations General Assembly to give official status to the Palestine Liberation Organization as participant in the Assembly's deliberations mocks morality, flouts international law and contravenes the UN charter."

"It gives recognition and status to a band of murderous terrorists whose avowed aims are at odds with the goals of the UN and whose acts are abhorrent to the most elementary ethical concepts," Louis Cohen, president of the Federation, asserted.
"The resolution to give a voice to the PLO was opposed by only three member states besides Israel—the U. S., Bolivia and the Dominican Republic."

"Twenty others abstained, while 105 voted for it. A crasser, more cynical abdication of moral responsibility, human decency and regard for international law can scarcely be imagined," Cohen commented.
"The declared and pursued purpose of the PLO is the annihilation of Israel and the destruction and dispersion of its Jewish people."

"Dispelling any doubt that might linger on that score, the head of the PLO delegation to the UN, Dr. Nabil Shaath, gloating over the UN's action, declared:
"The Palestinians want all of Palestine. They will not be satisfied with the West Bank and Gaza Strip."

"He added that the PLO is opposed to Security Resolution 242 and that those who adopted it will have to undo it. Violence would continue inside Israel, he said."

Build Baptist center

(Photo on Page 3)

A multi-purpose building is under construction at the Madison County Baptist Association Recreation grounds near Mitchell. It was announced today by the Rev. Keith W. Stanford, director of associational missions.

When completed, the building will be available for use by all Southern Baptist churches in the county.
An activity room will accommodate 40 people comfortably, according to Rev. Stanford, and will be available for Sunday School classes or departments for meetings or parties.

The association's church training and media personnel will establish a learning lab in a library area. Filmstrips and tapes can be previewed. Individuals will be able to study special topics they need to learn in preparation for their church work.

Rev. Stanford said that most associational committees will meet in the building and the pastors' conference also will meet there.

Cost of the building is \$30,000 and will be paid by the 25 member churches of the Madison County Baptist Association, which takes in the southern half of Madison County with a membership of

Proceed with Manley signal

A bid of \$20,445 by R. Dron Electric Co. of Granite City for installation of a traffic signal at Nameoki Road and Manley Avenue to speed up the flow of traffic to and from the Crossroads Plaza Shopping Center was approved by the Granite City Council Tuesday night.

The action came amid a series of street and traffic

are in violation of the law, according to the air board.

Bieniecki said leaf burning should be avoided particularly when there is no air movement to disperse the smoke, but conversely, that leaf burning in strong winds presents a fire hazard.

Lionel Portelli, superintendent of streets, warned today that action will be taken against persons found burning leaves on concrete or asphalt paving, or on curbs.

He said street department workers have been made aware of a number of instances in which home owners raked leaves into the streets for burning.

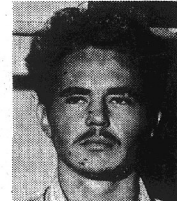

He said the heat from burning leaves tends to crack concrete paving and will melt asphalt surfaces.

Robert Scharringhausen, control engineer of the air pollution control board, asked that any persons who detect odors of burning waste other than leaves notify the air pollution control office at 451-7635.

Price is Rotarian speaker

"To solve the nation's problems, we need the assistance of every individual working with each other," declared Cong. Melvin Price (Dem., 23rd Ill.) in a speech prepared for the East St. Louis Rotary Club yesterday.

"When we come right down to picking out the answer we need and implementing the solution in our daily lives, technology fades into the background. Only people can sit down and work out the solution to difficulties which are people-caused," Cong. Price stated.

"And only people who care will make the effort!"

Rep. Price quoted the diary of Alexis de Tocqueville who observed in the 18th century that Americans have always formed committees to solve problems. "Volunteer is the key word," Cong. Price stated, "and I think we can all feel a little better about our nation's future knowing of the Rotary's dedication to instilling the values of community service and good citizenship into the hearts and minds of the youth of America."

"America grew because her people cared," Cong. Price concluded, "and America will survive because of this same spirit of caring and helping that begins with every individual in this nation."

New scuba class scheduled

A basic scuba class will start Wednesday, Nov. 6, at the Granite City YMCA, 2001 Edison Ave. The class will continue eight consecutive weeks from 7 to 11 p.m. on Wednesday nights. All equipment including mask, fins, snorkel, tanks, regulators and bac pacs will be available for use during the class.

Persons wanting more information may call Ron Kibort at 877-2135, or stop by East Side Divers Supply Co., 2750 Madison Ave., between 1 and 6 p.m. Monday through Friday. Equipment for the class is donated by the company.

The class will be taught by a certified scuba instructor, Rex Waggoner, who is certified to teach through PADI (the Professional Association of Diving Instructors), and MDC (the Midwest Dive Council). Upon completion of the course and two open water dives, all students will receive both PADI and MDC scuba certification cards.

Students should bring pen, paper, towel, and swim suit the first night of class. Assisting Waggoner will be members of the East Side Diving Club of Granite City. Total membership of the club is 87, with persons ranging from 14 and up. Club members are active divers during the entire year. Trips are sponsored locally and across the United States.

Plans for the next trip to Florida are being completed and will take place Dec. 26 to Jan. 2. The group will go down the eastern coast of Florida into the Keys.

Stops will be made at Disney World, Marine Land, The Everglades, and other historical spots. Dives will be made in both the ocean and in fresh water springs. All members may make the trip whether they dive or not, at minimal cost.

The club has its own nine-bottle cascade system and compressor to fill tanks on dives. Kibort said membership is open to any certified diver, family members (associated member), and future divers. Those wanting information about the club or the Madison County Civil Defense Underwater Recovery Team, a division of the club, may call Kibort at 931-2494, or Vice-President Larry Murphy at 491-4825. The club and its members serve in emergencies on a volunteer basis, and help promote the safety of water sports, mainly that of skin and scuba diving, Kibort said.

3 car accident

Three persons were injured in a three car chain-reaction accident at Nameoki Road and Garfield Avenue at 9 p.m. Monday.

Anthony Goodman, 20, of 1257a Niedringhaus Ave., driver of one car, suffered minor injuries which did not require hospital treatment.

Another driver, John Scher, 32, of 201 Paradise Lane, Mitchell, and his wife, Lena, 47, were taken to St. Elizabeth Hospital for treatment. He suffered abrasions and contusions to his right knee and a contusion to his forehead. His wife suffered contusions to her chest and abrasions and contusions to her left leg. Both were released after X-rays were taken.

Cheryl Janco, Edwardsville, driver of the third car, was not hurt.

Public zoning hearings set

The Madison County Zoning Board of Appeals will conduct three on-site public hearings in Chouteau Township Wednesday.

The first will be at 9:15 a.m. on the petition of Maurice Keelin to place a mobile home, 12 feet by 60 feet, on Chouteau Island just north of Interstate 270 and east of Water Works Road, in an agriculturally zoned area.

At 9:40 a.m., the board will meet on the property of Otto Romann where National Advertising Co. is requesting a variance to erect a billboard of 1,600 square feet surface area, larger than allowed by zoning ordinances, on Engineer's Road off Route 111 and just south of Interstate 270 in an agricultural district.

The final hearing will begin at 9:50 a.m. just west of the previous hearing where National Advertising Co. is requesting another variance for another 1,600 square foot sign on other property owned by Romann.

Fellows program for 'gifted'

Applications for the 1975-76 White House Fellows program are available at the Office of Research and Projects of the Southern Illinois University at Edwardsville Graduate School.

John Rodman, SIUE research and projects coordinator, said the program offers year-long fellowships to provide "gifted" citizens between 23 and 35 years of age experience in federal, governmental and legislative processes at the executive level.

Fellows are assigned as aides to White House staff members, cabinet members, the office of the vice-president, and other high-ranking individuals. Rodman said Dec. 2 is the deadline for applications to be filed. Additional information is available at the Office of Research and Projects, Room 2202, General Office Building, SIUE.

GOLF CLUBS TAKEN
A set of golf clubs, a golf bag, golf shoes, a pull cart and a gray tool box and tools, worth a total of about \$425, were stolen from the auto of Maria Amos, 2830 E. 25th St., it was reported at 7:05 a.m. Wednesday.

\$1,150 burglary
Items valued at about \$1,150 were stolen from the home of Bob Hanabarger, 2906 Fortune Drive, it was reported at 10:40 p.m. Wednesday.
Stolen were a stereo, a radio, a turntable, four speakers, an adding machine and a hunting knife. The color television was moved but was left inside the house.
Entry was gained by breaking a basement window, officials believe.

Car radio stolen
An AM-FM radio was removed from the dash of a 1970 auto belonging to Roman Janowski, Southgate, Mich., while it was parked at the Travelodge Motel parking lot, 1290 Nineteenth St.

Slavic Friends plan wine taste party Sunday

The Slavic and East European Friends of SIUE will host a wine tasting party from 2 to 5 p.m. Sunday, Nov. 3, at the Farm and Home Building, 9601 Hall's Ferry Rd., Jennings, Mo.
The public is invited, with a donation of \$3.50 per person requested.
Malt Sarich of Granite City, president of SAEF, said Yugoslav wines are excellent but not well known in this country. Cheese will be served with the wines, Sarich said.
SAEF was organized in March 1968 "to preserve and foster culture and traditions of the Slavic and East European countries." Gifts from members of this organization have made SIUE a recognized research center for Slavic memorabilia.
Proceeds from the wine tasting party will be used to add to this collection, housed in Lovejoy Library at the university.
Reservations can be made by calling Sarich at 797-9452 in Granite City. Mrs. Cornelia Brzezinski (314) 388-1065, St. Louis, or the SIUE Foundation office at 692-2345.

'Mission Behind Mill' to observe 56th year

The 56th anniversary of the Gospel Mission, 2014 E. 20th St., will be observed at 7 p.m. Sunday with a special program beginning at 7 p.m.
Dr. George A. Rosenthal of the Edgemoor Bible Church will bring the message and Mrs. Delores Bell will provide vocal selections. The public is invited to attend. Mrs. Bethel J. Davis, superintendent, said today.
Widely known as the "Mission Behind the Mill," the Gospel Mission originally was established in 1918 when six small boys and girls attended the first Sunday school in the Davis home.
Two Sundays later, the attendance had increased to 35 youngsters and by Christmas a total of 175 was taking part in the program.
At that time, the Granite City Board of Education offered the Davis family the use of Liberty School on Sunday afternoons and the offer was eagerly accepted.
Liberty School continued to be the meeting place for 18 years until it was decided to hold services for adults in addition to the children's classes.

resurfacing with an asphalt overlay on five sections of streets.

The Maclair contract was awarded on a low bid of \$28,885 following a discussion by council members concerning the work. The work would be done. The city has insisted the work be done this year, but Maclair officials said weather will be the determining factor as to whether or not it can be completed by the end of this year.
The signal system at Nameki Road and Manley Avenue is to be installed under an agreement by the city with Golden & Co. of Kansas City, Mo., developers of the Crossroads Plaza center, to share the cost on a 50-50 basis. Originally the cost was estimated at \$16,000, with the city and the city each to pay \$8,000.
The cost of the project will be kept to a minimum, according to Mayor Brewer, a city engineer, by using signal arms and signal lights which were replaced by new equipment on the four Madison Avenue intersections recently modernized with new lighting systems.

The Maclair Asphalt Co. contract will provide for a one-inch overlay and a one and a half inch surface coat on these streets:

Edwards Street from Washington Avenue to Henry Street, a distance of 3.75 miles; Iowa Street from 27th to 29th street, 2.250 feet; Niedringhaus Avenue from Spruce to Walnut, 1,350 feet; Illinois Avenue from 20th to 22nd, 1,150 feet, and Dewey Avenue, from 20th to 22nd, 1,150 feet.
Several aldermen suggested the project be delayed until spring when weather would permit quick completion of the jobs after Maclair company officials said in a letter that the company would make efforts to start the work as soon as possible and try to complete it by Dec. 31. The letter noted, however, that inclement weather could hold up work this year.

Alderman Everett Morlen criticized delay in the city calling bids for the projects. "Why is it that when we know this work has to be done, the council waits around until winter to do anything about it?"
Morlen made a motion for award of the contract to the Maclair firm on its low bid. The motion carried 10 to 2, with two council members abstaining. C. D. Feit, Construction Co. was the only other bidder with an offer of \$107,637.

The council also approved a motion by Alderman Boyd, chairman of the Street and Alley Committee, that bids be called by the city clerk for construction of sidewalks in the wards for which money for this purpose was appropriated earlier this year.

Alderman Frank Greenwald of the Second Ward told the council that he and his fellow Second Ward Alderman Sam Whitmer preferred to use the \$10,000 appropriated for sidewalks in their ward for street improvements.

Since a budget amendment will be necessary for the change, action on the proposal was delayed until the next council session Monday. A budget amendment could not be made until Nov. 1 or after, according to Treasurer Paul Rutledge.

On the request of Alderman Walter Norn of the Fifth Ward, the council approved the hiring of a school crossing guard to be stationed on Denver Street at Rock Road for the protection of students from Washington School.

Norn noted that a "dangerous situation" has developed from the children crossing streets at several different points with no organized protection.
An ordinance providing one-hour parking in front of 2521 Washington Ave., and one prohibiting parking on the north side of Poston Road for a distance of 300 feet from Nameki Road were enacted by the council.

A new traffic stop on Granite Avenue at 13th Street also was approved, including a penalty of \$10 to \$25 for violators. Norn objected to the proposed fines, noting that many traffic-stop ordinances per hour on Erma Avenue from Edgewood to Maryville Road.

Burglary on North
A shotgun, a rifle, two welding gauges, 25 feet of welding hose, a cutting torch, and a brazing handle were stolen from the home of Jacob Gaudreault Jr., 2555 North St., it was reported at 4:40 p.m. Monday. Entry was believed gained through an unlocked window while Gaudreault was on vacation.

Madison Senior Citizens hold annual fall dance

Over 200 members and invited guests of the Madison Senior Citizens Club attended the annual dance at the Madison Recreation Center.

The center was decorated with Halloween adornments including the traditional skeletons, pumpkins, ghosts and green and black streamers. Each table was centered with an arrangement of fall leaves on the white cloths, outlined with black and orange streamers. Halloween candies were at each table.
Mike Smith, pastor of the United Methodist Church, an invited guest, offered the blessing prior to the pot luck supper served at 5:30 p.m. He was seated at the head table with the president, Mrs. Andy Bridick, Mrs. Bridick, Mayor Mike Sasyk, Mrs. Sasyk and Lester Cook.

At the conclusion of the dinner Mrs. Bridick introduced a number of guests including members of several senior citizen organizations from the area, giving those who wished the mayor the opportunity to thank the group for including them among the guests.

The Madison Kitchen Band entertained for approximately

an hour. The remainder of the evening was devoted to dancing to the music of Wesley Dudley and Orchestra, furnished by the Musicians Union for the event.
A hand made quilt was on display. It was quilted by a number of the ladies as they gathered each Thursday for the group's regular meeting, there time is also spent playing cards and games.

Members of the Madison Kitchen Band include Mesdames Cora Barr, Rose Svoboda, Vickie Silbrey, Helen Cook, Rosalie Butler, Catherine Conreux, Violet Bader, Frances Baker, Frances Ditz, Mary Bridick, Dorothy Bridick, Ellice A. Rickert, Opha McMahon, Elizabeth Noyce, Ann Taras, Emily Mainbridge, Thelma Shannon, Julia Mainor, Marie Ziegler, Josephine Knezovich, the leader Mildred Shifter, and Ignace Weiss who plays the violin.

Student beaten

Charges have been filed in Madison County juvenile court against a 16-year-old Edwardsville youth who is accused of striking a Southern Illinois University at Edwardsville student after attempting to steal her purse Sunday evening.

The youth is charged with attempted robbery and battery. According to SIUE security officers, he walked behind Sherry Tyler, 2620 Madison Ave., Granite City, as she left Lovejoy Library at 5:05 p.m. and started toward Parking Lot B.

The youth attempted to take the student's purse. When she resisted, he threw her down on the sidewalk and beat her. She was able to escape with her purse and notified a friend, who caught the youth between the library and the Peck Building. Security officers arrived at the scene as the youth was apprehended and took him into custody.

Man cut, has 400 sutures

Larry Simpson, 21, Collinsville, was admitted to St. Elizabeth Hospital early Tuesday morning after he received three severe cuts during an alleged argument with another man in Collinsville just before midnight Monday.
Wayne Harris, 22, Collinsville, was arrested Tuesday and has been charged with aggravated assault in connection with the cutting.
A fight allegedly occurred between the two men on the parking lot of the S.O.S. Tavern in Collinsville.
Harris has been released on bond pending a court hearing. Simpson underwent treatment during which about 400 sutures were required to close the lacerations to his chest, it was reported.

Carmichael predicting socialism

The biggest issue facing America today is capitalism, according to Stokely Carmichael, who spoke to students at SIUE Monday. "The issue is more than an economic issue, it's the exploitation of the labor of the black man."

Carmichael, who recently returned from Africa, said one mistake Americans make "is in thinking there is no militancy if there is no noise. Socialism will come, it must come to America. And it will not come peacefully," he predicted.

"The black man came from Africa to meet the needs of American imperialism. They need someone to pick cotton," Carmichael contended.
He said the black man is the most revolutionary of all groups because he is the most oppressed. "Wherever you find the black man, he's the victim of racism. Even in Africa, he's the victim of racism," Carmichael said.
"History is an insult to us," he added. "The black student begins history on the slave ship, when our history is four million years old. Because we didn't write our history, it is negative."

Stolen key used in 2nd burglary

Items worth about \$374 were stolen from the home of Tim Ryan, 2211 Edison Ave., it was reported at 6:20 p.m. Wednesday. The storm door glass was broken and a key was believed used to open the door.
A key to the door was taken in a burglary at the same home two weeks ago.
Officers said blood was found near the broken storm door and a bloodstained rag was found inside the doorway.
Taken were three television sets, a tape recorder and about \$6 cash.

Couple is hurt

Orland Willman, 61, and his wife, Virginia, 61, both of 1410 Washington Ave., were injured in a two-car accident on Route 1 about one mile north of Interstate 270 at 8 p.m. Monday. Michael L. Reed, 27, was the driver of the second auto.
The Willman couple was brought by ambulance to St. Elizabeth Hospital where they were admitted. He suffered abrasions to his left arm and hand and cuts to his head and left leg. She was treated for cuts to her scalp, the right side of her forehead and to her right upper eyelid.

Delay sentencing

The sentencing of Anthony Johnson, 27, of Pontoon Beach on a charge of involuntary manslaughter, has been postponed about one week, officials of Madison County Circuit Court announced this morning. Johnson was to have been sentenced today.
He was accused of fatally shooting his wife, Virginia, 21, in the couple's apartment at 4060 Kathy Drive May 15.

TV, shotgun taken
A television and a shotgun, worth a total of \$264, were stolen from the home of Alice Booker, 213 Hill St., Eagle Park Acres, it was reported this week. A window screen was cut and the window opened to gain entry.

Oscar Rulo, 54, succumbs

Oscar F. Rulo, 54, of 2018 Fourteenth St., was pronounced dead upon arrival at St. Elizabeth Hospital at 6:18 a.m. Wednesday.

According to the family, Mr. Rulo sat up all night with his wife, Mrs. Goldie Rulo, who is a patient at St. Elizabeth Hospital. He left the hospital at 5 a.m. and went to his daughter's home where he apparently was stricken with a heart attack. He was taken to the hospital by ambulance. His daughter, Mrs. Jimmy (Jane) Dowdy, resides in

Madison. There will be an inquiry.

Born in Desloge, Mo., Mr. Rulo resided in St. Louis prior to moving to this area four months ago. He was employed for 10 years as a crane man for the St. Louis Shipyards.

Other survivors include a brother, Charles Rulo of DeSoto, Mo.; two sisters, Mrs. Otis (Laura) Click and Mrs. Ueda (Edna) Ketcherside, both of St. Louis, and four grandchildren. Funeral arrangements are given in the obituary column.

Free goldfish at park Friday

The Granite City Park District will give away free goldfish to local youngsters at 4 p.m. Friday in the Sieveking Gardens area at Wilson Park. Each child is required to provide his own container for the fish which are being removed from park ponds prior to the winter season. The gardens are located near the 27th Street and Delmar Avenue entrance to Wilson Park.

Coins stolen

A coin collection with a face value of about \$500 and a savings account book were stolen from the home of Wilfred Campbell, 3105 Maryville Road, it was reported Monday. The coin collection, containing pennies, nickels, dimes, half-dollars and bills, was in a brown cosmetic case.

Venice alderman ill

The Venice City Council held a brief meeting Tuesday evening and then adjourned to go to Barnes Hospital where Third Ward Alderman Louis D. Ratliff is a patient in the intensive care unit.

Alderman Ratliff is listed in serious condition, following major surgery for a reported brain tumor.

He became ill during the weekend at the Illinois Municipal League convention in Chicago and returned home Sunday, accompanied by Mayor William "Mike" Eberhardt. The officials were met at St. Louis. Ratliff was taken to his home briefly and then to Barnes Hospital.

During the council meeting, the city passed a resolution accepting a quit-claim deed from Johns-Manville Products Corp. for a 8.94-acre parcel of land at the southeast corner of Bissell, Klein and Weaver streets.

The land will be used in cooperation with the Madison County Housing Authority for construction of a multi-purpose building that will provide a recreation center and several other service-type offices and facilities for the people of the area.

TOOLS, TAPES TAKEN

A plywood tool box containing tools worth about \$185 and four tape recordings were stolen from the pickup truck of Douglas Berning, Caseyville, parked at the American Steel Foundries, 1700 Walnut St., it was reported at 11:20 p.m. Monday. A wing vent window was broken to gain entry into the truck's cab.

Ward Alderman Tyrone Echols, chairman, Hank Swella (Second Ward) and E. Harry Buente (First Ward) will meet with Ed Foley, director of the housing authority, within the next few weeks to discuss the building plans.

The council decided to take legal action against a Venice

South to visit strong Flyer football team

"What can you say about a team that is 0-8," asks GCHS South mentor Stan Wojcik, "except that we haven't quit and that we are ready to play football Saturday?"

The Warriors travel to East St. Louis Saturday for a 1:30 p.m. gridiron test with undefeated East St. Louis Senior High.

"We will run the same offensive plays we started with," said Wojcik, "and attempt to keep the ball from them."

The Flyers, almost certain of a Southwestern Conference championship again this year with a 6-0 record, are 8-0 overall and seeking an undefeated season. But Flyer Coach Cornelius Perry is not underestimating the Warriors.

"South's passing game has been its main weapon thus far," says Perry, "and when a team has a quarterback like Kirk Champion and a receiver like Tom Schooley, we can only hope to control it, not stop it."

Champion has connected, in eight outings, on 56 of 139 aerials for 643 yards of South's offense. He is averaging 12.2 yards per pass.

The East St. Louis squad will also be keeping a watchful eye on Ends Ray Smith and Mike

Lansaw, who also have been instrumental in South's passing game. Smith has 11 receptions for 145 yards and three touchdowns. Lansaw has 10 for 156 yards and one touchdown.

The Warrior ground game will be hampered somewhat by the absence of senior Paul Mushill, who has a knee injury and is unlikely to see action against the Flyers.

Mushill has been South's leading rusher with 345 yards on 81 carries.

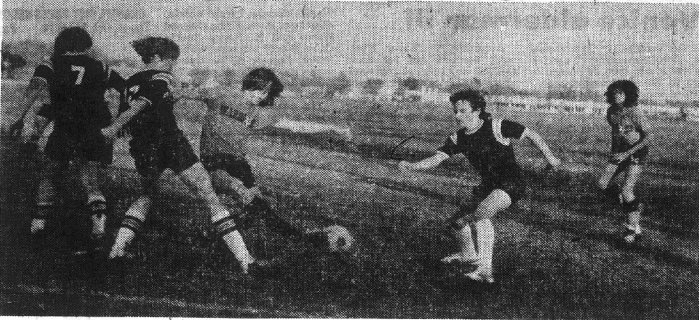

Among those ready for the game is Junior Frank Barunica, second-leading rusher with 93 carries and 282 yards gained. The contest could be an air battle between the two schools.

Flyer Quarterback Maurice Tison, a senior, is 38 of 73 in the air for 692 yards. Eugene Byrd, a 6-0 senior, is the main receiver. Byrd has caught 22 passes to gain 473 yards and eight touchdowns.

Senior Brian Leonard is relied on for ground yardage. He is the host's leading rusher with 465 yards.

"I feel that South's record," remarks Perry, "does not reflect the type of players it has."

"We beat Edwardsville," he said, "42-7 and South lost to the same team by a narrow 14-12 margin. But South has always played the Flyers tough and we expect another tough contest this weekend."

TRIPLE COVERAGE provided here by Carbondale's Chris Pedersen (7), Brent Pallen and Adam Granowsky (dark uniforms) failed to stop this back-pass from GCHS South's Mark Spiroff (center) to

Warrior Girard Alvarado (far right) Tuesday during the first game of the GCHS South soccer sub-sectional at South Field. South won 13-1.

Record run by Baker

Freshman Mike Baker topped a field of 140 runners Tuesday to set a new cross-country record of eight minutes and 21 seconds on a hilly Hazelwood, Mo., 1 1/2-mile course during the Hazelwood freshmen invitational.

Baker's performance helped earn GCHS North fifth place with 174 points in the 20-school meet.

Hazelwood Central captured the meet with 52. Lindbergh had 76, Holman 156 and Hazelwood East 166.

Finishing well also were Steelers Joe Smith 24th, Greg Stout 27th, John Bracamontes 28th and Ed Futch 98th.

13 goals for Warriors in 14th straight victory

By KEN THOMPSON
Press-Record Staff Writer

The soccer Warriors of GCHS South posted their 14th consecutive victory of the season Tuesday with a 13-1 defeat of Carbondale Central in the first game of the state sub-sectional meet at South.

South will take to its field at 3:30 p.m. tomorrow to meet the winner of yesterday's Cahokia-Waterloo contest with the victor advancing to the sectional championship game on Nov. 5 at South Field.

The Warriors, eyeing a possible berth for the third straight year in the state soccer finals, dominated the action Tuesday and virtually camped in front of the Carbondale goal after exhibiting precision ball control, a tight man-to-man defense, and skill in heading the ball.

Warrior jerseys appeared to outnumber the enemy as South players moved swiftly about the field while Carbondale grouped together and appeared to lack speed.

Denmark's Chris Pedersen provided the visitors' only goal on a free penalty kick after a South player touched the ball with his hands.

Sophomore Rick Becherer scored three and had one assist; senior Teno Valencia, two and one assist; senior Mark

Brusatti, one; freshman David Goldschmidt, one and two assists; senior Ron Goldschmidt, one.

Senior Dave Sheridan, one; senior Charles Bennington, one goal and two assists; senior Dave Bauman, one; senior Wally Winters, one with one assist; and sophomore Mike Austin, one goal.

An example of South's precision performance, witnessed by many fans, occurred in the final quarter of play. South brought the ball down the right sideline to about 30 yards away from Carbondale's net. Valencia headed the ball to Becherer, in front of the net, and he in turn headed it over the head of the defending goalkeeper for a point.

Bennington, who two weeks ago set a new individual season scoring record, earned his 31st goal of the season in what may have been his last game.

Warrior mentor Gene Baker reports the senior is suffering from a torn muscle in his lower left leg and is doubtful as a starter for the rest of the series. "His speed and physical presence on the field will be missed," remarked Baker, "but I am sure Mark Brusatti will do a fine job in his place."

The Warriors took 26 shots on Carbondale's goal while the defense allowed only three by the enemy. South led 9-0 on

corner kicks but Carbondale had the least fouls, 9-12.

The visitors' goalie prevented 10 Warrior shots from scoring. South's Marc Mason and Keith Kibort had no saves while sharing the goalkeeping duty.

A victory Friday would pit GCHS South against the victor of Saturday's GCHS North sub-sectional titlist in Tuesday's sectional championship game.

The winner of next Tuesday's contest here will advance to the eight-team state finals Nov. 8-9 at DeKalb.

Steelers advance with 2-0 win over St. Paul

Granite City High School North's hopes for an Illinois High School Association soccer championship soared Tuesday when the second-year Steelers defeated St. Paul of Highland 2-0 in the first game of North's sub-sectional competition.

The next test will come Saturday. Last year, the "rookie" North team was prevented from reaching sectional competition after losing in a district meet at Jacksonville following a 19-21 season.

The Steelers are 17-3 this year. Their victory over St. Paul was their third, the Steelers having defeated the Highland parochial team 6-0 and 3-0 in regular season play.

Senior Forward and Tri-Captain Harvey Breckner tallied both goals for the Steelers as defensive players revolved around him in the game, allowing St. Paul only one shot on goal.

Breckner scored unassisted on a 10-yard penalty kick five minutes into the second quarter.

St. Paul set up a wall of players in front of the goal in an attempt to block the kick but Breckner powered a curve shot around the defenders to send the ball into the upper left hand corner of the net.

Late in the third period, the senior player scored on a straight-in kick from 10 yards away after taking a pass from teammate Dan Sedej from the sidelines.

GCHS North took nine shots on the goal and Galie Rick Demaree was credited with

preventing a St. Paul shot from scoring. Corner kicks were North 4, St. Paul 3. St. Paul had the least fouls, 8-11.

"They recall North's Bob Kehoe," made scoring almost impossible with their defensive game plan.

"St. Paul would send two players forward to meet our attack and place the remainder of the team back to protect the goal."

The Steelers will meet perhaps their toughest competition at 11 a.m. Saturday, when they play the victor of yesterday's Collinsville-Assumption contest to decide an entry into GCHS South's sectional title game on Tuesday.

North has defeated both schools twice in regular season play: Collinsville 2-1 and 1-0, and Assumption 1-0 twice. The Steelers second wins over the two foes were gained in overtime periods.

Trojans end by posting undefeated Sparta team

Madison High School's football Trojans will attempt to deny Sparta an undefeated season at 2 p.m. Saturday, when the Bulldogs come calling at Trojan Field.

Sparta, at 7-0, has clinched the Southwest Egyptian Conference title and a berth in the state playoffs.

"The season is almost over," says Madison's Al Vander Haar, "and injuries have become a dominant factor."

Since mid-season, the Trojans have lost four seniors and one junior to sidelining. Quarterback Emmett Timmons, Halfback Mike Walker, End Kevin Werner, Tackle Kevin Ditch and Tackle Wendell McCaskill.

Timmons, who still leads in passing with 18 of 38 for 302 yards, has been replaced in the lineup by junior Mike Woods, who has 10 completions in 38 attempts for 169 yards.

Madison's passing game was set back by the loss of Werner, who before suffering shoulder injuries had 18 receptions for 305 yards. Darryl Franklin has filled his spot and has five for 73 yards.

Ditch, a defensive player with 23 tackles to his credit, has a badly bruised kidney, as does Walker.

Walker is thought to be lost for the season. McCaskill is out with a back injury. He has been lauded for his 26 tackles of opposing players.

"Even with our losses," said Vander Haar, "our defense did a fantastic job on Breese Mater Dei."

But when a school has 10 players going both ways of offense and defense, and when its passing game is all but taken away, mistakes become plentiful.

He expects Sparta, which uses two platoons, to try and wear the 1-7 Trojans down.

"We are going to have to get to their quarterback," says Vander Haar, "and stop their rushing attack. Mike Collins has been credited with gaining 1,248 yards on the ground."

Madison is hoping to control the ball on the ground and utilize the services of senior Joe Young to sustain drives. Young heads the Trojan rushing attack with 105 carries for 510 yards. He also leads in tackles with 70.

Overall, Madison has earned 60 first downs—34 on the ground, 18 in the air and eight on penalties.

The Trojans have a total of 1,142 yards rushing and 471 yards passing; executed 290 rushing plays and 390 offensive plays; fumbled 30 times and lost 17 of them; and were penalized 76 times for a total loss of 610 yards.

"Combined with our ground game," said Vander Haar, "we are also hoping that Sparta is looking over our heads" at next week's state playoffs.

North must win on Friday to be considered for state grid playoffs

The scrambling for berths in each of the five classes of the first-ever Illinois High School Association (IHSA) football playoff series reaches a climax this weekend with a total of 138 teams still having a chance to qualify as a conference champion or an "at large" berth.

The winners of each of the 65 football conferences advance to preliminary (first-round) games in each of the five 16-team brackets Wednesday, Nov. 6. In addition, three "at large" teams will be selected from the ranks of the independents, conference co-champions not selected to represent their conference, and conference runners-up in each class to fill the berths.

Preliminary (first-round) games will be played at 2 p.m. Nov. 6. The two competing teams agree to a 7 p.m. kickoff. Winners advance to the quarterfinals Friday, Nov. 9, at 1:30 p.m.

"The semifinal games will be played Saturday, Nov. 16, at 1:30 p.m. In each of the first three rounds, one of the two competing schools will serve as host site for the game."

Championship games in each of the five classes will be played the weekend of Nov. 22-23 on the artificial turf of Hancock Stadium on the campus of Illinois State University, Normal.

The time schedule will be: Friday, Nov. 22 — 9:30 a.m. Class 1A; noon, Class 2A; 2:30 p.m., Class 3A.

Saturday, Nov. 23 — 11 a.m., Class 4A; and 1:30 p.m., Class 5A.

Pairings for each of the classes will be drawn this weekend.

Thirty-three schools are still in the running for Class 1A (smallest enrollment) conference championships or the "at large" berth. In Class 2A, there are 22 schools; 30 in Class 3A; 25 in Class 4A; and 28 in Class 5A (largest enrollment).

Several dramatic season finale showdowns are on tap this weekend.

In Class 5A, perennial power Evanston travels to Oak Park-River Forest Saturday afternoon with the Suburban League title on the line. In Des Plaines Valley, unbeaten Franklin Park (East Leyden) meets Villa Park (Wilmette), with the winner moving into a position of being the conference selection.

Elmhurst (York), which clinched Hinsdale (Central) last weekend, could claim the West Suburban crown Saturday night with a win over once-beaten Glen Ellyn (Glenbard West).

Powerhouses Peoria, unbeaten in eight starts, and traditional rival Peoria (Manual) square off at 2 p.m. Saturday in the fight for the Mid State Nine championship.

highlighting Class 4A action. Independent Granite City (North), at 7-1, must beat Big 12 champion Mattson at Mattson Friday night to have a chance to be considered for an "at large" berth in 4A.

The winner of the battle of Big 9 foes Belvidere and Rockford (Boylan Catholic) Friday night may gain an "at large" berth.

In Class 3A, Friday night's contest between unbeaten Morton and once-beaten Washington should decide the Heart of Illinois title, while the Northeast league playoff game, Lisle and Dwight will square off to determine that representative.

Unbeaten West Chicago (8-0) battles once-beaten Plainfield in a fight for the Little Seven crown Friday night. Unbeaten Rockton (Honnongh) must get past once-beaten McHenry Friday night for the Stark title.

Sherrard, unbeaten in eight games, plays Taylor Ridge (Rockridge) for the Corn Belt title in Class 2A Friday night. In Sangamon Valley, unbeaten LeRoy, which has allowed only

eight points in eight games, must beat Mahomet-Seymour to claim the title.

Eldorado and Metropolis, both unbeaten (5-0) in league, meet Friday night to decide the Southern Illinois championship.

In the Class 1A Bi-County, Stronghurst (Southern) carries its unbeaten league record into its Friday date with once-beaten Biggsville (Union).

Flanagan and Grider meet to decide the Midstate-Mid Central berth Friday.

Another noteworthy game will be the Friday battle between Waukega (Class 2A) champion Waukega (8-0) and Class 3A Kankakee Valley winner Mokena (8-0).

Granite City (South) of 5A and Madison of 5A have too many losses this season to be considered for the playoffs.

Class 4A prospects are as follows:

Big Nine — Rockford (East) 8-0 (7-0) has clinched. Belvidere 7-1 (6-0) and Rockford (Guilford) 7-1 and they meet Friday night.

Big 12 — Mattson 6-2 (5-1) has clinched and hosts Granite City (North) Friday night.

Capitol — Normal (Community) 8-0 (7-0) has clinched. Decatur (MacArthur) 6-1.

Illini Eight — Chicago Hts. (Marion Catholic) 5-3 (5-1), Lockport (Catholic) 5-3 (5-1), Lock-

port (Central) 5-3 (5-1), Marian Catholic plays Lockport Friday. Joliet (Catholic) has beaten both.

Mid State Nine — Peoria (High) 8-0 (7-0) and Peoria (Manual) 6-2 (6-1). They meet at 2 p.m. Saturday.

Mississippi Valley — Mascoutah 7-0 (6-0), Romans 6-2 (5-1). Mascoutah won the game between them.

North Central Illinois (NE) — Sterling 7-1 (5-0) has clinched. North Suburban — Barrington 8-0 (8-0) and Zion Benton 7-1 (7-1). Barrington won the game between them.

O'Hare Suburban — Norridge (Ridgewood) 8-0 (5-0) has clinched.

SICA — East — Lansing (T.F. South) 7-1 (5-0) has clinched. SICA — South — Tinley Park 2-5 (0-0) and Bradley-Bourbonnais 5-3 (4-1). Tinley Park won the game between them.

South Seven — Centralia 7-1 (5-1) and Mt. Vernon 7-1 (5-1). Centralia won the game between them.

Tri-Country — Glen Ellyn (Glenbard South) 7-1 (5-0) has clinched.

Independents — Belleville (Althoff) 6-1-1, Granite City (North) 7-1.

'Must' game for North against Mattson here

"We are in a do-or-die situation," says Coach Tom Wyrostek. "A win is a must."

GCHS North gridders will host Mattson at 8 p.m. Friday at the Fehling Road field and must improve their record to 8-1 to be considered for a Class 4A large berth in the state playoffs.

The Steelers had 88 state points going into their DeMet contest, and picked up four points on last weekend's 28-25 loss since DeMet has a winning record in the Bi-State Conference.

Don Deterting, athletic coordinator at North, told the Press-Record that, as far as the point system is concerned, "it is meaningless to us if we don't win tomorrow."

"If we defeat Mattson, then we have over an 80 per cent winning record. If we don't win, then it's all over."

The Green Wave of Mattson is 6-2 overall after downing Bloomington this past weekend 22-20 in overtime.

The victory earned Mattson a berth in the 4A playoffs with a 5-1 Big 12 conference record which insures it of at least co-champion status if Bloomington (4-1) wins its final conference game this weekend with Springfield.

"I compare the Steelers," says Mattson's Bill Bess, "to the Bloomington team."

"Both have good personnel," he said, "and play an aggressive game."

North has outscored its opponents in eight outings 26-81, with 1,406 yards on the ground and 895 in the air.

Senior Mike Donnell heads the rushing attack with six yards and six touchdowns. Senior Lenny Wright is the leading pointmaker with 24, including 48 on touchdowns and 26 on extra-point kicks and field goals.

Quarterback Gene Logan has completed 59 of 100 passes and has connected with Junior Larry Schleicher on 13. Schleicher has chalked up 324 yards and two touchdowns on pass receptions.

Mattson has allowed opposing schools to score only 99 points against its defensive unit and against a running game with Senior Rick Moss, 6-0, 175 pounds. Moss last year racked up more than 1,000 yards on the ground. He was injured in the Green Wave's opening contest this season and has gained 500 yards in 1974 after sitting out two weeks.

Quarterback Rod Sink, 6-0, 160-pound senior, is completing 48 per cent of his passes, with junior Steve Sorenson on the receiving end of most of them.

Sorenson, at 175, is rated as a good blocker and rusher. He has 450 yards thus far, as a replacement for Steve Lawrence another 1973 thousand-yarder who has since graduated. Sink is reported to favor the halfback option play at times.

Both North and Mattson sport strong defenses even though both schools have been hit with injuries.

Steelers Keith Lucas and Dave Hamilton are still out of the lineup. Lucas, 5-9, a 195-pound senior, is nursing a badly bruised back muscle and Hamilton, 5-11, a 185-pound senior, has an infected knee.

Wyrostek, remembering last

year's 26-19 loss at Mattson, said, "There were two inches of snow on the ground, the temperature was near 16 degrees and we were in the fourth quarter to become accustomed to it."

Bess said the game here could produce a unique situation if

North should win.

"It is possible," he said, "for us to meet North in the first round of playoffs next week."

Wyrostek, still looking at "only one game at a time," says, "We'll show up to play football, and I imagine they will, too."

Terry in state harrier run; Elmhurst has won last three

Defending champion Elmhurst (York), trying to become only a second school in history to win four straight Illinois High School Association (IHSA) boys' state cross-country titles, faces literally an uphill battle Saturday over the three-mile Dettweiler Park state final meet course.

The victory earned Mattson a berth in the 4A playoffs with a 5-1 Big 12 conference record which insures it of at least co-champion status if Bloomington (4-1) wins its final conference game this weekend with Springfield.

"I compare the Steelers," says Mattson's Bill Bess, "to the Bloomington team."

individual honors over three miles in 14:35.3 and teammate Casey Ricketts was second at 14:36. Terry of the Warriors was third in 14:43.

One team that could draw much fan interest is tiny Lebanon, an underclassman-dominated squad from the Greyhounds in the heart of the Dettweiler three-mile record holder — and one of the greatest high school distance runners in the nation — Craig Virgin.

Only senior in Lebanon's lineup is Marvin Edison, who was the seventh runner for the Greyhounds in the Bi-State sectional. Other members of the team are junior Don Burns, sophomore Greg Hogg, sophomore Harvey Thomas, freshman Jeff Lee, freshman Victor Burns and junior Stan Suder.

Senior Bill Bandy of Chillicothe (IWC) was the Peoria sectional champion in 1962, but no individual champions. York has won in 1962, '65, '71 and '73.

Last school to claim the title other than York was Park Ridge (Maine East) in 1970 when Palatine (Friend) was second in a chase for the championship that produced one of the closest finishes in the meet's history (a 10-point spread of 129-120).

Closest competition ever for the team title came in 1961, when Highland Park won at 96, Glen Ellyn (Glenbard West) was second at 97 and Evanston third at 98. A similar circumstance may take place Saturday.

Under Coach Newton, York has claimed six team titles since 1962, but no individual champions. York has won in 1962, '65, '71 and '73.

College aid explanation

Many educational opportunities await future high school graduates, and students of both Granite City and high schools are being urged to attend "college night" Monday evening at 6:30 p.m.

Representatives of 14 colleges in this region will be here to talk with interested students and parents.

A Granite City school district spokesman commented, "With inflation and high living costs, parents are considering college costs seriously, and plans begin with the freshman student."

Bet cards

Haggard, Stephen Geist, David Whittier and two residences.

The morning raids netted not only cards and gambling records, but offset printing plates used to print the tickets, it was alleged.

Evening raids were upon five individuals, four vehicles, two residences and Hill's barber shop.

The residences were in Florissant and Ferguson.

Arrested during the evening in Missouri were David Alan Viviano, 29, St. Louis, William Harlow, 36, St. Louis, Raymond Kayser, 26, Florissant, and John Macey Jr., 30, Florissant.

Again, parlay cards, printing equipment and gambling records were seized, authorities related.

Whaley said the results of the searches and of other investigation will be presented to a federal grand jury in St. Louis for consideration of gambling and interstate transportation of gambling paraphernalia.

The grand jury is expected to meet in November.

WILLIAM, CURTIS W., 2644 E. 24th St. Entered into rest 11:15 p.m. Wednesday, Oct. 30, 1974, at St. Elizabeth Hospital.

Beloved husband of Mrs. Ernest Williams; dear father of Mrs. Connie Kraus, Miss Dorothy Williams and David Curtis Williams; dear brother of Kenneth Williams; dear son of Mr. and Mrs. Wanie Williams; dear grandfather.

Funeral services 10:30 a.m. Saturday, Nov. 2, at DAVIS FUNERAL HOME Chapel, 21st Street and Cleveland Boulevard, Interment Sunset Hill Cemetery, Edwardsville Township. Visitation after 4 p.m. Friday. Family requests memorials be made to The American Cancer Society of Alton.

No sewer

(Continued from Page 1)

The hearing was required by state and federal regulations before any grant money can be received by the sewer committee.

The hearing was held at the Sparks of Chouteau Township, chairman, Supervisor Christ Pashol of Venice Township and Whitsett.

The supervisors were appointed to the committee by the Madison County Board, which is sponsoring the project.

The Environmental Protection Agency has approved \$25 million for intercept sewers and another \$3.5 million for collector sewers.

Plans call for the state and federal government to pay 75 per cent of the cost, including engineering, design and construction.

Even though the grants have been approved for funding for the 1975-76 fiscal year, several "red tape" requirements must be met before the money is released.

Tuesday night's hearing was to give the public opportunity to give statements on the possible environmental effects of the sewers and construction.

The 28 persons who attended, however, had little to say about the program's environmental effects. Most questions and statements centered on cost and other factors related to the sewers.

Juncau delivered the prepared environmental impact statement, saying the sewers would create a healthier environment by eliminating cesspool and septic tank overflows, would help control insects by eliminating contaminated breeding places, and would cause no eyecores, except

during construction. He said noise levels during construction would be minimal and that few streets would have to be torn up since most of the sewers are to run in existing alley rights-of-way.

Recreation will be improved due to better water quality in Long Lake. No historical or archeological sites will be affected and the project will not require the relocation of any families or persons, Juncau said in his statement.

Residents at the hearing were told that the proposed sewers would not tap into Granite City sewers until the city's 84-inch line was met about one-half mile northeast of the Granite City Sewage Treatment Plant.

Sewage collected from Namekiki and Chouteau Township will flow to the Granite City primary and new secondary sewage treatment plants to be treated there.

A separate sewer system will serve the East Madison-Chouteau Park area and will direct sewage south to the Lansdowne Treatment Plant operated by the East Side Levee and Sanitary District.

Sparks told those present that the obtaining of easements is the major obstacle and if residents grant free easements quickly, the sewers can be in operation in less than two years.

He urged those present to form groups to help convince their neighbors to give free easements. "If anyone wants to be paid for his easement, he's only holding up the project," Sparks said.

"From now on, it's going to reflect for a good part on the residents who don't give us cheaply we get by," he added.

Funeral arrangements are given in today's obituary column.

Campaign fund reporting rules are explained

Campaign disclosure requirements affecting local government officials, effective Jan. 1, were outlined last night to the Southwestern Illinois Council of Mayors of St. Clair, Madison and Monroe Counties.

The group's October dinner was held at the Granite City Army Installation. Financial reports required from political committees were explained by Richard Anderson of the Illinois State Board of Elections staff.

Steve Sargent, Illinois Municipal League executive director, reviewed pending legislation.

Col. Harry L. Bush, commanding officer of the Army Installation, reported that its staff of 450 employees, mostly civilians, consists of half Illinoisans and half Missourians.

The base supports activities of federal agencies in the St. Louis area, handling \$20 million in yearly procurement, he noted.

Madison Mayor Mike Sasyk, vice president of the Mayors' Council, presided and there was a talk by Paul Schuler, mayor of Granite City.

Suspect arson

A possibility of arson is being investigated by authorities in a fire Monday which caused \$5,400 damage to a home at 2110 Fourteenth St. Firemen fought the blaze for more than one hour.

Residents in the neighborhood shortly hearing two explosions reported being fire engulfed the structure.

Granite City firemen arrived on the scene at 6:07 p.m. and said they smelled what may have been a flammable liquid. Authorities say arson is suspected, based on the two reports and because of the rapid heat buildup.

The vacant home is owned by John Turnbough of Mitchell.

Stereo stolen

Items worth a total of \$175 were stolen from the home of Jack Valasek, 2046 Hemlock Ave., it was reported during the weekend. Taken were a stereo, two speakers and a cigarette lighter.

Revival services

Revival services are being held nightly at 7 o'clock through Friday at the Southern Baptist Church, 921 Bissell St., Madison, by the Rev. J. J. Brooks of Chicago, evangelist. Pastor is the Rev. S. L. Calhoun.

News notes

Former President Richard M. Nixon has been in critical condition this week after undergoing surgery to control a blood clot.

The Equal Rights amendment was supported by Everett Steele and Joe Lucco and opposed by Robert Walters in remarks Tuesday night to the Edwardsville League of Women Voters.

Horace Calvo said he has doubts that the proposed women's rights amendment would "do what it's supposed to do." The four are seeking three state representatives posts in this district Nov. 5.

A class action suit charging religious discrimination has been filed by Mrs. Doris Tally, 31, East St. Louis. She alleges she was fired from the Tri-City Grocery Co. store in East St. Louis because she refused to sell state lottery tickets. She said she is a member of the Pentecostal Assembly of the World.

Allen P. Beebe said he was fired Monday as president of St. Louis Terminals Corp. and that William H. Hall II was discharged as vice president and general manager of the Granite City river terminal operated by a subsidiary of St. Louis Terminals.

Howard D. Margraf, manager of sales and service, is to succeed Hall. New president of St. Louis Terminals is Beebe's brother-in-law, Rodney LaMothe. Beebe had blocked acquisition of the firm by Chromalloy American Corp., alleging this would have reduced shipping competition.

Judo, wrestling

The Tri-City Area YMCA has set (tomorrow and Saturday, respectively, as deadlines for area residents to register for second sessions of judo and wrestling.

Registration for judo classes began early this week for junior high, high school and adult age divisions and will continue through tomorrow.

The course again will be begun, beginning Monday, by Granite City Len Fuchs, who holds a first-degree black belt in the sport. Classes will be held each Monday and Wednesday for seven weeks.

Saturday is the last day for registration at all age levels for the wrestling program. Bill Fuchs, a former state champion, will conduct the seven-week session, which will meet on Tuesday and Thursday each week beginning next week.

Fees for each sport are \$4 for "youth" members and \$15 for non-members. Additional information may be obtained at the YMCA, 876-7200.

Low turnout feared

By KEN WATSON
Press-Record
Springfield Bureau

In Illinois politics this has become known as the year of the upside-down campaign.

Whatever interest has been generated for the 1974 election has come from area or local races rather than by the top-of-the-ticket contests.

With only a short time to go in the campaign, voters from Chicago to Cairo remain apathetic and indifferent about the race for U. S. senator matching Democratic incumbent Adlai E. Stevenson and Republican challenger George Burditt. As in the beginning, it is taken virtually for granted that Stevenson will

his well-known name will win easily over little-known Burditt.

Nor is there much general interest in the race for state treasurer where Democratic incumbent Alan J. Dixon rates as favorite over Republican Harry Page.

Failure of the Senate race to stir excitement is a big disappointment to those who recognize the value of a healthy two-party rivalry. In the past, Illinois has produced some of the year's senatorial contests that attracted national attention.

These include the 1948 contest that saw Democrat Paul Douglas topple Republican C. Wayland "Curly" Brooks; the 1950 battle that produced an upset victory for then

Congressman Everett McKinley Dirksen over Democrat Scott W. Lucas, Senate majority leader; and the 1966 campaign in which Republican Charles H. Percy beat Douglas.

These three hard-fought campaigns brought voter interest to a peak in the final days and produced big turnouts at the polls on election day.

No comparable increase in interest is detected as the 1974 campaign drifts to an end.

The public's post-Watergate disillusionment with politicians continues to contribute to an apathy which indicates an exceedingly small turnout on Tuesday.

Traditional party activity at

the grassroots is at an unprecedented low. Both Republicans especially are hurting.

Reports flow into the Statehouse of GOP precinct committeemen dropping their usual door-to-door calls upon constituents after receiving hostile receptions.

What hope there is for a late resurgence of political interest rests with local and regional contests.

Closely watched is the contest in the 6th Congressional District where former Cook County State's Attorney Democrat Edward V. Hanrahan, and a recent Illinois House member and onetime assistant GOP floor leader, Henry J. Hyde, seek to fill an existing vacancy.

Also high in interest is the suburban battle in the 10th District that features a rerun of the 1972 race between former

GRANITE CITY PRESS-RECORD
Thurs., Oct. 31, 1974 Page 10

Democratic Congressman Abner J. Mikva and Republican Samuel H. Young. The latter won the seat two years ago but Mikva is favored now.

The big problem for each party this year is voter apathy. Low turnouts could result in some surprises.

It appears that those candidates who have been able to build effective independent campaign forces of their own have the best chance of overcoming the apathy problem.

It is possible that the 1974 election could result in some major changes in the way political campaigns are waged.

Grand opening at new store

Glad Rags, a store featuring men's and women's clothing for the youth market, will hold a grand opening tomorrow evening at its new Crossroads Plaza Shopping Center store.

The band "Fresh" will entertain at the store from 8 p.m. to 11:30 p.m. tomorrow and the store will remain open until midnight for the grand opening celebration.

Free soft drinks will be served and prizes of clothing will be awarded.

The new store at 14 Crossroads Plaza, is the third Glad Rags store. Other stores are in Alton and Florissant, Mo. The Alton store was the first and has been open 12 years.

The stores are operated by Darold's Glad Rags, Inc., an

Illinois corporation. Darold Sullivan is owner of the stores. The manager of the new store is Dennis Crevell who has been with the company nearly two years and came here from the Florissant store.

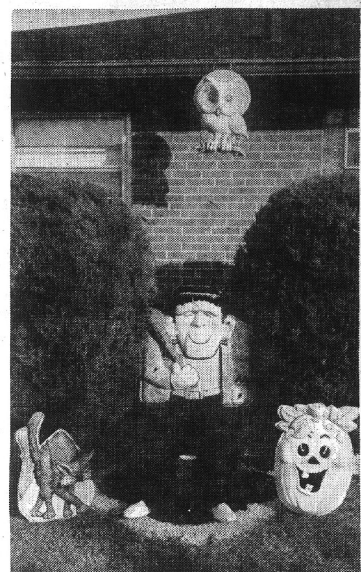

Seven to eight persons are to be employed, including five full-time employees.

The store, which now is open, covers 3,600 square feet and contains full lines of men's

sportswear, women's blouses, sweaters, skirts and costume jewelry.

The decor is in natural colors with natural lighting, a variation from the standard dark boutique atmosphere in most youth clothing stores.

The new store is open Mondays through Saturdays from 9:30 a.m. to 9:30 p.m. It also will be open on Sundays from 12:30 p.m. to 5:30 p.m.

HAPPY HALLOWEEN: Frankenstein, a black cat, a happy pumpkin and a wise old owl greet people who pass the residence of Mr. and Mrs. Don Blair, 2113 St. Clair Ave. The seasonal display is illuminated at night.

Gym activities at Bellemore

In recognition of American Education Week, students from Logan, Marshall, Maryville, Parkview and Wilson Schools will demonstrate physical education activities in the mall at Bellemore Shopping Center Saturday, between 10 a.m. and 2 p.m.

Among the activities will be rope jumping, gymnastics, parachute and dance with each of the participating schools concentrating on one or two of these activities.

The project is under the direction of Miss Margaret Roberts, Maryville School, who also serves as the PEPI (Physical Education Public Information) Project for the Southwest District of the Illinois Association for Health, Physical Education and Recreation. Miss Roberts is assisted by Rich Logan, Emerson; Susan Smith, Frohardt; Darlene Wenner, McKinley; Judy Collins, Marshall; Pat Marey, Niedringhaus; Leigh Heller, Parkview; Ann Johnson, Stallings; All Brueggemann, Webster; Sarkra Bowler and Joanne Higgins, Wilson.

Ferguson takes office Nov. 4

Edward C. Ferguson of Highland will take oath of office at 9 a.m. Monday to become a new associate judge of the Third Judicial Circuit Court of Illinois. He will be sworn in by Chief Judge Fred P. Schuman at the Madison County Courthouse, Edwardsville.

Ferguson replaces Judge Harry Mondink, who resigned. He was selected by a vote of circuit judges.

Ferguson, 30, presently is an assistant state's attorney. He graduated from Alton High School, Northwestern University in Evanston and the University of Illinois Law School in Champaign.

SIUE seminar

The significance of the democratic ethic for cultural alternatives and American civilization will be discussed at the second session of the University Seminar at SIUE at Edwardsville Friday night.

Francis J. Villenain, professor of education, will be the speaker. He will be assisted by Michael Kitchen, a student designated as a presidential scholar for the seminar series.

Faculty representatives and presidential scholars from eight schools at the University will be discussing ethnic and cultural integrity in a series of lectures throughout the academic year.

The university seminar sessions will be in Lovejoy Library auditorium and are open to the public, beginning at 8 p.m.

(Hollywood-Andrew Studio)

Chinchock-Ramirez betrothal

Mr. and Mrs. Ronald Wilkinson, 2328 E. 24th St., are announcing the engagement and plans for a spring wedding of their daughter, Miss Lydia Jo Ann Ramirez, and Paul Eugene Chinchock Jr. The prospective groom is a son of Mr. and Mrs. Paul Chinchock, 3006 Myrtle Ave.

Both young people graduated from Granite City High School. Miss Ramirez is employed as a bookkeeper at Pillow Manufacturing Co., St. Louis. Her fiancé is working as a draftsman at the Central Mine Equipment Co., St. Louis.

YMCA to offer yoga, belly dancing, ballet

Belly dancing, ballet, yoga and children's dance classes will be offered starting Monday by the Tri-City Area YMCA as part of its second fall session. From 8 to 9:30 p.m. Monday, an intermediate level of belly dancing will be taught by Kay Jones. A beginners' class will be offered again in December, the instructor said. A social dance class on Thursday evenings from 8 to 9:30 also will be instructed by Mrs. Jones. Adult ballet will be available for the first time starting Tuesday under the direction of Kathy Ellis. The class will meet each Tuesday from 7 to 8 p.m. Joyce Mitchell will serve as instructor for yoga on Wednesday evenings, a YMCA spokesman said. Dance classes for children, including ballet, tap and jazz, are planned at 4 p.m. Monday and Wednesday at the "Y," instructed by Kathy Ellis. Further information about the different programs may be obtained by calling the "Y," at 676-7200, or at the YMCA, 2201 Edison Ave.

Miss Parmeley is wed

Miss Sandra Parmeley and Kenneth W. Ramsey were united in marriage at 1 p.m. Sept. 13 in the St. Charles County Courthouse at St. Charles, Mo.

Rev. Felix Keller to speak Sunday

A new evangelistic approach to teaching Christians how to relate the message of Christ to Jewish people effectively will be explained in a special seminar at 9:45 a.m. Sunday at Tri-City Park Tabernacle, 2201 Clark St.

Leading the seminar will be the Rev. Felix Keller, who is spearheading the new effort under the name—Messianic Ministries. The seminars are designed to equip Christians with the tools to describe their faith effectively to Jewish people, he explained.

The Rev. Keller also will speak at the morning worship service at 10:45 and again in the evening at 7 o'clock. High school through adult Sunday school class members will attend the seminar, the Rev. John Polizzi, pastor, said. Special music will be provided at the services. The public is invited to hear the Rev. Keller.

Recital Sunday at Calvary Baptist

A recital will be presented by Leah Rogers, 3272 Franklin Ave., and David Tripp, 2472 Kilmer Ave., at 3 p.m. Sunday at Calvary Baptist Church, 3000 Washington Ave. The public is invited to attend.

Both young people will perform a program of music they taped for the Baldwin Junior Keyboard Achievement Awards contest. Results of the contest will be announced in January. Miss Rogers will perform Scarlatti Sonata, a mazurka by Chopin, two pieces by Tansman and Pouppe Volsante. Tripp will play Mozart's Sixth Viennese Sonata, Fur Elise by Beethoven and Selma Palgreen's May Night.

president, gave the welcoming address.

James Custer, representing the Office of the Superintendent of Public Instruction, Springfield, was the guest speaker. He discussed consolidation of federal funding, whereby school districts will use their discretion in applying federal allocations to federal programs.

Harold Briggs, superintendent of Madison County

Educational Service Region, extended a special greeting to the conferees.

Official delegates to the conference represented local units and area councils, according to membership, in District 29 which encompasses school districts in Madison, Jersey and Calhoun counties.

Among the conferees were 16 delegates from Frohardt, Lake, Mitchell, Namsok and Parkview PTAs and the Granite City PTA Area Council.

President's award won by Mrs. Verka Kroteff

At the annual meeting of the Metropolitan Life Veterans, held in St. Louis at the Sheraton Westport and attended by 210 active and retired employees, Mrs. Stephan (Verka) Kroteff was awarded a plaque inscribed with the words, "Metropolitan Life Veterans Association, St. Louis Chapter, proudly presents the President's Award to Verka Kroteff as the retired veteran contributing most to our chapter's progress."

This is the first time such an award has been made in the entire company's 40 Chapters. A similar award was given to an active employee, Pete Bommarito of St. Louis. The St. Louis Chapter also received a national blue ribbon award for "originality in an outstanding chapter bulletin," of which Mrs. Kroteff has been the editor for the past seven years. The Veterans Association was created in 1902 and its members are employees with 20 or more

years of continuous service. Mrs. Kroteff started with the company in 1958 and retired in 1969. Other veterans in the Granite City office are Harriette House, John Leitz, Ralph Irvin, Wallie Nagel, John Buchman, Patsy Borne, Tom Murphy, Jim McConkey, Wayne Melloy, Bert Chapman, Frank Zank, Gregor Sild and Arthur Gray. Joe Baynes of New York represented the National Association at the meeting.

'Palm reader' bill faces repeal

A move to repeal an ordinance enacted in late August to ban palm reading and other "mystic" activities was initiated by Granite City Council members Tuesday night because the ordinance "is so broad it makes the council look silly."

The council, following suggestions by several aldermen that the ordinance has not achieved its purpose, approved a motion by Alderman Walter Nonn that City Attorney George

Filcoff prepare a bill that would repeal the ordinance. The council is expected to act on that measure in its regular council session Monday.

The ordinance was prepared after several aldermen said they had received complaints about palm reading in the 2600 block of Madison Avenue. The bill, however, extended a "prior restraint" effort to prohibit advertisements "of any sort regarding merchandise, securities, service or anything

so offered to the public, which advertisements contains any assertion, representation or statement which is untrue, deceptive or misleading."

Terms of the bill were questioned by many citizens as to whether the city can or should place itself in the position of judging what is untrue, deceptive or misleading. Such citizens cited constitutional safeguards against abridgment of freedom of speech. Some attorneys said

they believe the law was so defective that it would have no impact.

Alderman Sam Whitmer of the Second Ward called for an amendment to the ordinance because "the palm reader, we were trying to eliminate is still doing business and I'm told any test of this ordinance could be declared invalid."

Whitmer said that everyone someone passes the palm reader's sign, "they say well, they're still in business. It's

making the city look silly."

Whitmer made a motion to amend the ordinance to establish a high license fee, suggesting a charge of \$100 a day for palm reading, fortune telling or other "mystic" activities, but other aldermen said the ordinance should be repealed entirely. In discussion that followed, it was suggested that the original "palm reading" ordinance be repealed and a new ordinance enacted to control more specifically the

practices to which council members objected.

Alderman Clyde Boyd said, "I don't know how this ordinance got so broad. I think we should abrogate it completely and be more specific about what we want... the council is being laughed at."

Alderman Roy Poulos asked Filcoff the origin of the ordinance that was brought in and passed in late August. Filcoff replied that Eric Robertson, assisted city attorney, modeled the ordinance after a Chicago law.

"That figures," Poulos commented.

Nonn moved to repeal the

ordinance, an action that would take a three-fourths majority vote. This would have required a favorable vote of all 12 aldermen present at Tuesday's meeting. Acting on another suggestion, Nonn changed his motion to call for an ordinance that would repeal the original ordinance. Such action would clear the way for adoption of a new bill.

7-day suspension

Dr. Paul B. Miller, president of the Meat, Poultry and Livestock Inspection Division of the Illinois Department of Agriculture, released yesterday a summary of fall legal and regulatory actions taken by the division.

Formal hearings included one for Walter J. and Thomas J. Miller, doing business as Miller Provision Co., Inc., Madison, to show cause why their license as a meat processor should not be suspended. The license was suspended for seven days, with reinstatement following compliance with a facilities order.

Craft workshop for Trio Unit

Trio Unit of the Madison County Homemakers Extension Association held a craft workshop Tuesday at Hope Lutheran Church, directed by Mrs. Mary Elyn Lewis and Mrs. Betty Gritz.

Members provided their own sack lunches and were served a dessert course at noon by the hostesses, Mesdames Ellen Ozanich, Vivian Forshee, Louise Anderson and Genevieve McComis.

Instruction on making Christmas articles was given. A district meeting at 7:30 p.m. Nov. 12 has been arranged for the three Granite City units at the Nameoki Recreation Center, it was announced.

Plans were finalized for the Trio Unit's Christmas party on Dec. 3 at the Grand Cafe.

Brownies parade at costume party

A masquerade party for Brownie Troop 495 was given Monday afternoon at Sacred Heart School, under the supervision of Mrs. Maggie Williamson, Mrs. Donna Narup and Mrs. Georgia Miller, leaders.

Balloons were suspended from the classroom ceiling and Halloween decorations were used on the walls and tables.

Costumes were judged by Sister Mary Therese and Mrs. Mary Ann Stuart. Winning awards were Megan Sauers, funniest; Connie Williamson, scariest; Mary Narup, prettiest; and Mickey Williamson, honorable mention.

The girls made witch faces from egg cartons and yarn, and punch, cupcakes and candy were served by the leaders.

Masquerade party at Onesky's home

Mr. and Mrs. John Onesky, 4 Manor Drive, Collinsville, hosted a masquerade party during the weekend for members of Pi Eta Chapter, Beta Sigma Phi Sorority, and their husbands.

A chili supper preceded the social hour.

Guests selected as the "best dressed" were Mr. and Mrs. Norman Bennett and Mr. and Mrs. Bud Chastain.

Also attending were Mr. and Mrs. Ron Davis, Mr. and Mrs. Jim Welch and Mr. and Mrs. Bud Graham.

Chapter KU to mark birthday

Mrs. Joanne Kraus was the hostess for the October meeting of Chapter KU of the PEO Sisterhood at her home, 2885 Spalding Ave., Monday evening.

Nineteen members attended and discussed plans for the 9th birthday celebration of the chapter. The event will be observed at the next meeting in the home of Mrs. Ila Maxton, 30 Oaklawn Drive. Those planning to attend were asked to dress in appropriate style to a 9-year-old child.

Mrs. Faye Carlisle, president, conducted the business session, which was followed with a dessert course.

Alpha Xi hosts party for youth

A Halloween party for young adults was held during the weekend at the Tri-City Area Association for Retarded Children activity center at St. John United Church of Christ.

The affair was sponsored by Alpha Xi Chapter of Epsilon Sigma Alpha Sorority.

Fifteen young people attended the party and played games, danced and were served refreshments. Favors were presented to each guest.

Steel automobile

The 1966 black over tan Buick Wildcat auto of Eleanor Vaught, 2611 Benton St., was stolen from the 2700 block of Harding Avenue. It was reported this week. Clothing and other items were in the trunk of the auto.

Skunks main source of rabies

Skunks are not only of fensive—they're potential killers, too.

They represented the number one source of positive rabies cases reported in Illinois the past year. And during May-August, 1974, they again headed the list.

According to figures from the Illinois Department of Agriculture, skunks accounted for 31 of the 55 positive cases reported during the four-month period. A total of 19 counties contained the cases.

Incidents of skunk rabies were followed by 14 cases in bats, four in cats, and two each in cows, dogs and horses.

A total of 27 of Illinois' 102 counties reported one or more cases of rabies this summer, with the most concentrated areas falling in the northern and western regions of the state.

Cook county led the list with nine reported cases, with eight bats and one cat found to be rabid. The counties of Bond, Brown, Christian, Fulton, Jackson, Kane, Logan,

Madison, Peoria, Pike, Tazewell and Will reported more than one case.

This new total brings the 1974 figures to 186 cases. Through September, the breakdown looks like this: 68 skunks, 19 bats, eight cats, six dogs, four cows, two horses and one raccoon.

During 1973, a total of 222 positive cases of rabies were reported to the IDA. Of this number, 159 were skunks, 16 cows, 15 cats, 13 dogs, 11 foxes, seven bats and one horse.

Skunks not only account for the largest percentage of rabies in the Midwest, but nationwide, they are on the increase. For example, during 1970 the number of skunks infected with rabies accounted for 38 per cent of all cases in animals and 48 per cent of all cases reported in wildlife.

At the same time, the number of cases found in dogs has been on the decline since 1955 when 2,657 cases of canine rabies were recorded. In 1970, the number fell to 185. This decline parallels the development of an improved rabies vaccine.

Conkovich, Barnett's back from MacArthur ceremony

Steve Conkovich, Amvets Post 51 public relations officer, returned over the weekend from Norfolk, Va., where he attended 30th anniversary ceremonies at the General Douglas MacArthur Memorial of the landing at Leyte, Philippines.

He was accompanied by Mr. and Mrs. Paul Barnett and daughter, Paula, on the plane. "We had the pleasure of meeting Mrs. Jean MacArthur, wife of the general, and had luncheon with her and a host of other generals, and

digitaries," Conkovich said. "Barnett, who made the landing with MacArthur, piloting the craft, is a member of Amvets Post 51. He met General Carlos Romulo, former foreign minister of the Philippines and one of the men in the landing craft.

"They were much excited over seeing each other after all these years.

"We also had the pleasure of the company of General Leif Sverdrup of St. Louis, who laid the wreath and was a personal

RANSACK APARTMENT
Authorities believe juveniles were responsible for the ransacking of the apartment of Mable Kuehn, 1710 Cleveland Blvd., which was discovered at 7 a.m. Tuesday. Entry was gained by crawling through an open basement window. Two candy bars were taken from the refrigerator and the wrappers were found near the basement window.

friend of MacArthur.

"Barnett was invited as a dignitary and sat on the podium and review stand," Conkovich related.

MICHAEL W. HAYNES

Honor graduate

Specialist 4th Class Michael W. Haynes, son of Mr. and Mrs. Alfred Haynes, Bonne Terre, Mo., formerly of Granite City, has completed training as a high honor graduate of his class at the United States Army Military Police Training Center at Fort Gordon, Ga.

He is now stationed at Lackland Air Force Base, Tex., for a 12-week course as a Patrol Dog Handler. After completing the course at Lackland he will report to Fort Polk, La. where his wife, Terry, and son, Scotty, will join him.

Prior to enlisting in the Army, he served four years in the United States Air Force and was stationed at McChord Air Force Base in Seattle, Wash.

Robber hits confectionery

A young armed robber and an accomplice stole an undetermined amount of cash from Schewe's Confectionery, 2550 Grand Ave., at 8:40 p.m. Monday.

A woman who was working at the time said the youth entered, displayed a revolver and said, "Give me the money. Put it in a bag," several times.

When the robber said, "I want fives and tens," another voice from the doorway said, "Get the ones, too."

The woman put the money in a paper bag and the robber grabbed the bag and fled. Police responded immediately to a robbery alarm system at the confectionery, but were unable to locate the robbers.

Hold suspect in Venice shooting

Carlton Boyd, 58, St. Louis, was arrested at 1:55 p.m. Monday by St. Louis police for Venice authorities on a charge of aggravated battery in the alleged shooting of Mrs. Geraldine Pearson, 52, of 1059 rear Market St., Venice, Sunday morning.

Following his arrest at his home by St. Louis police, Boyd was picked up by Venice police. Boyd waived extradition. He is being held in the Madison County jail.

Mrs. Pearson is reported in serious condition in Firmin Desloge Hospital, St. Louis.

Venice police reported that Mrs. Pearson, with the help of a neighbor, came to the station and reported she had been shot. She was bleeding about the face.

Steel dividend

Paul B. Akin, president of Laclede Steel Co., has announced that at the regular October board of directors meeting, the directors declared a regular quarterly dividend of 50 cents per common share to be paid on Nov. 22 to stockholders of record on Nov. 8.

Debbie Winfield North queen

Miss Debbie Winfield, a senior student and council representative and varsity football cheerleader, was crowned Fall Festival '74 Queen of Granite City High School. North in impressive ceremonies last evening at South High Auditorium.

The coronation sequence and Fall Festival '74 play, "A Funny Thing Happened on the Way to the Forum," will be repeated at 8 p.m. today at South High.

Tickets costing \$1 each for students and \$2.50 for adults will be available at the door this evening. All seats were sold out Wednesday night.

Miss Winfield, 17, a daughter of Mr. and Mrs. Robert Winfield, 511 Fleming St., Mitchell, was escorted by John Royce, son of Bernard Royce, 2471

Waterman Ave. He is president of North Student Council and a senior in the school's college prep program.

The Fall Festival '74 Queen is enrolled in a general studies course at North High and is a member of the North yearbook staff.

She received her crown of office from Miss Diane Becherer, the Spring Carousell Queen. Also participating in the ceremonies was Miss Donna Voss, the retiring Fall Festival '73 Queen.

Selection of Miss Winfield and her escort was made by secret ballot of the student body at North High last week. Their identity remained a secret until the formal presentation of the Royal Court last night.

Court members are Kathy

Wilson, Jamie Stevens, Sandy Smith, Clay Randall, Pat Perkins, Laurie Morris, Laura Compton and Coral Atkinson, attendants and Jeff Reiter, Joe Peacher, Keith Lucas, Dave Hamilton, Mike Gisham, Mike Carr, and Scott.

Students in advanced speech classes at North presented the Festival play under the direction of Dr. Goni Michaeloff, Speech Department head.

Last night's premiere performance received a standing ovation from the capacity crowd, Harry E. Cook, Student Council faculty advisor, reported.

Tonight's presentation will be video taped under supervision of Ralph Mangano of the North Audio-Visual Department, the council advisor said.

Fall Festival '74 activities will continue Friday with the North Stealers meeting Mattoon on South football field at 8 p.m.

The Festival student dance is scheduled from 10 p.m. to midnight Friday at North cafeteria, with "Mack's Creek" furnishing the music. Admission is \$1.25 and school identification cards are required.

Cahokia, Kahoks advance in soccer

Pairings for the third and final rounds of the GCHS South and GCHS North soccer sub-sectionals have been decided.

The host Warriors, a first-game 13-1 victor over Carbondale Central, will meet Cahokia at 3:30 p.m. tomorrow to decide an entry in Tuesday's GCHS South state sectional meet at South Field.

Cahokia advanced to tomorrow's contest South with a 3-1 win over Waterloo Gibault in yesterday's second game of the South sub-section.

Greg Mueller and Dennis Chaput scored for the Warriors.

GCHS North, which defeated St. Paul of Highland 2-0, will clash with Collinsville on the Steeler Field at 11 a.m. Saturday, with the victor meeting the winner of tomorrow's South sub-sectional game for the sectional title next week.

Collinsville downed Assumption 4-0 here yesterday. Jim Loranado and Dana Koudela scored for the Kahoks.

Nicholson top state teacher; honor Miss Purdes and Mrs. Thompson

A Henry County high school teacher who revitalized a sagging agriculture program and set up an acclaimed career education program was named 1974 Illinois Teacher of the Year.

St. School Supt. Michael J. Bakalis cited Tom Nicholson, 28, Orion High School instructor, as the state's top teacher at a banquet at Holiday Inn East, Springfield, about 250 persons attended.

Bakalis, who noted that the Teacher of the Year is the highest honor awarded to a classroom teacher, also introduced four teachers receiving runner-up awards.

Maude E. Parker, Chicago, a learning disabilities teacher for elementary students in the Blue Island School District, who has been teaching eight years.

\$350,000 verdict in railroad injury case

A jury in the Madison County Circuit Court at East Alton returned a \$350,000 verdict at 5:15 p.m. yesterday in favor of a Mitchell man and against two railroads.

The jury ordered the Chicago Eastern Illinois Railroad and the Missouri Pacific Railroad to pay a total of \$350,000 actual damages to James Wendell Corey, a former C&E Railroad employee.

The Missouri Pacific Railroad also was ordered to pay \$200,000 punitive damages to Corey.

Corey's attorneys, William Schooley and Lance Callis, of Granite City, alleged that on June 10, 1971, Corey fell into a

catch basin and was injured. After the accident, Corey became involved in an argument with a trainmaster and was dismissed.

It was alleged the railroad knew of the existence of the hole two days earlier and had told Corey it had been filled in. It also was alleged the railroad did not have proper grounds to discharge Corey.

MoPac owned controlling interest of the C&E line at that time.

The trial opened Thursday before Circuit Judge Harold Clark and the jury deliberated more than four hours before returning the verdict.

College soccer team wins 6-1

Bellevue Area College won its first-round of National Junior College Athletic Association regional soccer competition at home Tuesday with a 6-1 victory over Lincoln.

The Dutchmen, now 5-2 will play Principia Junior College at 10 a.m. Saturday before traveling to DuPage Nov. 8 to meet the Chicago area winner.

Former Granite City soccer standout Bobby Galvan headed BAC scoring with three goals and one assist.

Dennis Jones earned one goal. Bill Keifer of Assumption one on an assist by John Harding, and Bellevue Althoff's Rick Dash on an assist from Larry Felt, formerly of GCHS North.

Shots on goal were BAC 42, Lincoln 4; saves, BAC one, Lincoln five. The Dutchmen led in corner kicks, 14-1.

CHERYL ANN WALTON, 16, daughter of Mr. and Mrs. Albert Walton, 18 Lakeview Drive, has been missing since Sept. 16. Police have been asked to aid in the search for the missing girl who left for school and did not return home. Anyone with information as to her whereabouts may call 931-3561.

Seek proposals to cut travel energy usage

The Office of Transportation Research (OTR) of the Federal Energy Administration is seeking proposals for the reduction of transportation energy use with minimal undesirable impacts, according to the Office of Research and Projects of the Southern Illinois University at Edwardsville Graduate School.

According to John Rodman, SUE coordinator of research and projects, OTR wants "capable sources to conduct analyses of alternative conservation strategies" in one or more of the following areas:

- New car fuel economy, efficiency of automobile use, urban transportation, intercity passenger travel, intercity freight transportation, and transportation fuel cost and price issues.

The OTR research requirements in each area include analyses of the energy conservation potential, macro and micro-economic impacts, and social, environmental and institutional impacts of implementing the policies," Rodman said.

Responses to the request should be submitted by Nov. 8. Rodman announced. Additional information is available from the Office of Research and Projects, Room 2802, General Office Building, SUE.

John Wilson Air Force enlistee

John P. Wilson Jr., son of Mr. and Mrs. John P. Wilson, 2263 State St., has enlisted in the Delayed Enlistment Program (DEP) in the United States Air Force, pending regular enlistment in the Active duty Air Force.

By enlisting in the DEP, he becomes a member of the Air Force reserve with a stipulation that he enlist and enter active duty within 180 days or be called to active duty by the reserves.

"The big factor," according to Sergeant George Habbert, Air Force recruiter for the Granite City area, "is the fact that the DEP times counts for pay purposes."

The six months he spends on inactive duty with the reserves as a result of DEP will enable Wilson to draw longevity pay after one and a half years on active duty. Sergeant Habbert added that "Basically the DEP Program allows an applicant to start his Air Force career while finishing all the last minute arrangements necessary to begin active duty. He has time to notify his employer and time to complete his personal business before reporting for active duty."

Mrs. Wilburn dies at 76

Mrs. Clara E. Wilburn, 76, of 3129 Aubrey Ave., died at 11:33 a.m. Monday at the Pleasant Rest Nursing Home, Collinsville, where she had been a patient since September.

A native of Yount, Mo., she resided here for one year and lived previously in California. She is survived by her husband, John Wilburn; two daughters, Mrs. Grady (Ruth) Tatum of Granite City and Mrs. Virginia Murphy of Burbank, Calif.; one son, Richard McLain of Collinsville; a brother, Henry Loberg of Perryville, Mo.; two sisters, Mrs. Rhoda Hahn of Perryville, Mo., and Mrs. Clara Neumann of Piedham, Mo.; six grandchildren and five great-grandchildren.

Funeral services were held today. Details are given in the obituary column.

Superintendent field narrowed

The Illinois State Board of Education has narrowed the field of candidates for the position of state school superintendent to a small group, and set tentative dates to begin personal interviews.

The new State Board of Education has further agreed, in order not to jeopardize some candidates' current positions, that the names of those among the final group would not be made public. Present State Supt. Michael Bakalis is believed to be among the finalists.

The board agreed to announce its decision on a state school superintendent by the end of November.

Tentative dates for personal interviews with remaining candidates are set for Nov. 8, 9 and 10.

In other action, the board has agreed to hold meetings in cities other than Springfield and Chicago beginning next April. Mentioned as future meeting locations were Carbondale, Quincy and the Madison St. Clair counties area.

Senior citizens initiate program

A group of residents from Granite City and the area were among the more than 300 senior citizens who enjoyed a meal of Kentucky Fried Chicken, at the "kick-off" luncheon held to initiate the Kentucky Fried Chicken Senior Citizens program in the Quad-City area.

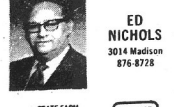

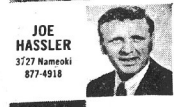

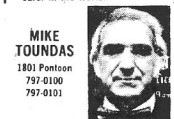

Under the new program, senior citizens fill out an application card at their nearest KFC store, and then get a courtesy card which entitles them to purchase a complete chicken dinner containing two pieces of chicken, mashed potatoes with gravy, coleslaw and a roll, for 99 cents.

Hosting the luncheon were Colonel Harland Sanders of Kentucky Fried Chicken and the KFC store owners from throughout the Illinois and St. Louis area.

GRANITE CITY PRESS-RECORD
Thurs., Oct. 31, 1974 Page 23

New class for nurse aides

The Granite City Extension Center of the Belleville Area College is offering another section of instruction for people interested in becoming nurse assistants.

Trainees will receive classroom instruction, in addition to clinical experience in hospital and nursing homes.

The classes will meet from 4 p.m. to 9 p.m. from Monday, Nov. 4, through Thursday every week for six weeks. The enrollment is limited to 32 students who will be accepted on a first-come, first-served basis.

Registrations are being accepted in the Adult Education Office in Granite City High School-South, Room 138A, to 8 p.m. today and from 8 a.m. to 4 p.m. Friday.

Scout popcorn sale Friday

The third annual "Funds-A-Poppin'" popcorn sale of the Cahokia Mound Council, Boy Scouts of America, will kickoff Friday and continue through Saturday, Nov. 9, according to Leo Schermer, special projects chairman for the council.

Cub Scouts, Boy Scouts and Explorers in the area will sell, for \$1.25, a box containing bags of popcorn, cooking oil and salt.

The monies earned by the project will go partially to the individual scout units for their activities, and to the general operating budget of the Cahokia Mound Scout Council.

Three enlist in Air Force

Three Granite Cityans have enlisted in the U.S. Air Force during the past week. They include:

Mark S. Becherer, son of Mr. and Mrs. Harold J. Becherer, 3314 Wilshire Drive; Charles E. Rodgers, son of Mrs. Edith M. Rodgers, 2315 Lincoln Ave., and Timothy L. Camren, Rural Route Two.

Becherer is a 1974 graduate of Granite City High School North and will be trained in aircraft maintenance following completion of basic training at Lackland Air Force Base, Tex. Rodgers is a 1972 high school graduate here and has entered the electronics field. He also is taking basic training at Lackland Air Force Base.

Camren graduated from North high school this year. He will enter aircraft maintenance after basic training.

Information about enlistment in the Air Force is available from Sgt. George Habbert at the recruiting office, 1204 Niedringhaus Ave., phone 876-3225.

Vincent Terrell enters Air Force

Vincent O. Terrell, son of Mrs. Helen Watts, 1023 Calhoun St., Venice, has enlisted in the Delayed Enlistment Program (DEP) in the U.S. Air Force, pending regular enlistment in the active duty Air Force.

He has enlisted in the inactive reserves, according to Sergeant George Habbert, Air Force recruiter for the Granite City area. The time spent in the reserves by Terrell will count towards longevity pay in the active Air Force.

He is a 1974 graduate of Edwardsville High School. He will enter active duty in February 1975 and attend basic military training at Lackland Air Force Base near San Antonio, Tex. He then will be assigned to a technical training center for training in his chosen career field of electrical power production specialist.

Distribute Bibles to hospital here

The Granite City Gideon Camp has placed 200 Bibles and 30 Hospital Testaments, at St. Elizabeth's Hospital. The Bibles were presented by C. F. Reimers, camp treasurer, and Edward Stone, camp Bible secretary, to Sister Geraldine who represented the hospital.

A Bible was placed at each bedside several years ago when the new addition to the hospital was opened. At that time 400 Bibles were placed in the hospital.

The current placement of Bibles was made so that there would be a copy for each patient to read while at the hospital.

Recently a request was made by the Maryville Colonial Nursing Home for eight Nurses Testaments and 104 Hospital Testaments.

Cablevision bill advanced

An ordinance providing a franchise agreement for the establishment of cable television in Granite City was placed on first reading by the City Council Tuesday night, but only after a lengthy discussion in which several aldermen said they do not believe the city needs the system.

A motion to place the bill on first reading was approved only after Mayor Paul Schuler cast his vote in favor of the motion under a ruling which permits

the mayor to vote when it may decide the outcome of an issue. Alderman Sam Whitmer told the council that the ordinance appeared to be "the same one we had before (early this year) and I don't think we need it."

City Attorney George Filcoff explained that approximately 40 changes requested in the ordinance by the city since the agreement first was proposed had been made.

Whitmer replied, however,

GRANITE CITY PRESS-RECORD
Thurs., Oct. 31, 1974 Page 24

that he did not believe the city should enter into the fixing of rates and that the agreement "involves the city too much."

He said the 3 per cent of revenue from cable television subscribers as provided in the agreement "probably wouldn't give us (the city) more than \$20,000 a year."

Alderman Ronald Coleman said that some cities are receiving 6 per cent and more, but Filcoff said Federal Communications Commission regulations have limited the percentage cablevision companies may pay for franchises.

Alderman Walter Nann objected to the 15-year term of the agreement as too long and said he believed the city should wait another year before entering into any kind of a cable television agreement "so that we can see what is happening."

Alderman Frank Greenwald said cablevision "is a very young industry" and suggested the city look into it thoroughly before becoming committed. "I don't think we should jump into it without a lot of thought," Greenwald said.

On a motion to place the ordinance on first reading, five council members voted against it, to seven in favor with a minimum of eight votes needed for approval.

Before voting, Mayor Schuler said, "I thought we had pretty good relations with these people (Tri-Cities Cablevision Co.) and that this was a pretty good thing." The mayor then voted in favor of first reading.

Those voting in favor of the motion, in addition to Schuler, were Greenwald, Claude Green, Boyd, Earl Baker, William Dallas, Everett Morien and Roy Poulos.

Voting against the motion were Nann, Whitmer, Gerald Parney, Emerald Dawes and Coleman.

Aldermen R. E. Robertson and Steve Basarich. The council also received Tuesday night a report on a survey by H. J. Umbaugh & Associates of Indianapolis on the equitable use of charges and industrial cost recovery provisions for operation of the city's new secondary sewage treatment plant.

The report was required by the U. S. Environmental Protection Agency as a procedural factor required in connection with state and federal grants for construction of the treatment plant.

HAL OSUCHOWSKI, 3327 Johnson Road, right, receives a \$3,000 gift from Carl Coleman, manager of the Tri-City Grocery, Venice. The presentation brings to \$12,600 the total amount of gifts to store customers thus far.

Health, welfare Rotary topic

Peter Solomonakis, executive director of the Tri-County Health and Welfare Council, explained the functions of the organization at the Tuesday noon meeting of the Granite City Rotary Club in the YMCA.

He explained the organization basically is a research and planning group, funded by the St. Clair County and Belleville United Way.

Solomonakis noted his organization covers Madison, St. Clair and Monroe counties, but does not provide health services as the name would imply.

Future plans for the group, according to the director, include a conservation camp, a nutrition conference for

aged, and the establishment of an emergency telephone system in the three counties. It was announced that another Prayer Breakfast will be held Wednesday at 7:30 a.m. at Charlie's Restaurant and a discussion on traffic problems will be held.

Plan open house

The Church of Jesus Christ of Latter Day Saints at 9827 Bunkum Road, Fairview Heights, will conduct an open house from 7:30 to 9:30 p.m. Friday. A movie, displays, refreshments and tours of the church building will be on the program. The public is invited.

Reserve a special place for yourself in the Navy

Join the Navy now. And start your Navy training up to 9 months later. In the meantime, do what you like. Finish high school. Take a long vacation. Or wind up personal business. Whatever you do, all this time counts toward Navy seniority, future pay increases and fulfillment of your total military obligation. Even though you're not on active duty. If you are qualified, you can sign up now for training in electronics, in sea-going engineering, or in any of more than 70 exciting fields with a future. Want to be someone special? Then make your reservation now. Talk to your Navy recruiter about the Navy program that lets you join now and start training up to nine months later. He can tell you what you qualify for before you enlist.

Midwest not hit hard by uptrend in jobless

By JOAN MURARO
SPRINGFIELD, Ill. — It may be like a little pregnancy or a little garlic, but the Midwest seems to be only slightly bothered by inflation, recession and unemployment.

For now, anyhow. Like the other conditions, hints of what's to come already are there.

A recently laid-off trucker, for instance, expects to get back to work within a week or so, "but I'm registering for unemployment compensation now, just in case."

Miners' wives, particularly in southern Illinois, are freezing, canning and shopping for food bargains, stockpiling against an almost inevitable strike which will leave more than 11,000 men voluntarily unemployed.

The least fortunate, involuntarily unemployed, queue up on schedule at the unemployment compensation office, the state employment office (and sometimes, eventually, the public aid office).

"I hate coming here; it de-

means me," said a former part-time public relations worker for a public social agency. "My former boss said I should, though — he'd paid for it and I'm entitled to it. But I hate it."

But the unemployment compensation office stresses that the benefits aren't charity or a dole, but an earned benefit. But an elderly man referred to his day to report as "stand-in-line-day" and the attempted humor was given up.

"It hurts to know you're not wanted after you've given your best to a company for years," says another older worker, dumped by a major company in a "reorganization," which left space for younger, less experienced but cheaper help.

Of five central states sampled, Illinois falls in the middle, with Iowa in the best shape with an unemployment rate of only 3.2 (up only 1 percent from last year). Wisconsin comes second with 4.2, followed by Illinois with 4.4, and Missouri with 4.6.

Indiana, with a jobless rate of 6.3 percent of its general work force, is the only one of the five which would be classified as "high" by U.S. Labor Department standards. By that scale, rates of 1 through 2.9 are "very low," 3 to 5.9 are "moderate" and 6 and above is high.

The national level stands at 5.4 percent.

If the statistics sound good compared with national fig-

ures, it's little consolation to the man or woman with continuing obligations but discontinued income, with overdue rent, facing repossession of items purchased in more hopeful times, on credit.

Actually at this time Illinois has only two serious areas of unemployment, according to Stanley Nayhouse, supervisor of research and analysis in the State Labor Department's Chicago offices.

"Unemployment hasn't skyrocketed in Illinois as yet," he said. "Absorption of new workers is our biggest problem right now. The 'war babies' of a few years ago are coming into the job market in swarms, and in places where they do manage to get taken in, they tend to displace older workers, so the overall employment picture isn't gaining."

In Missouri, there are 93,100 workers out of work as of last July, compared with 82,000 in July of last year. Missouri authorities tabulate St. Louis' figures at 15,497, or 6.8 percent, on their side of the river, and using a four county rather than a two county base for Illinois, they list 26,466 workers, or a staggering 8.3 percent, out of work on the Illinois side.

For comparison purposes, some of Illinois' other neighboring states show the following:

Wisconsin: For the week ending Sept. 7, they added 4,798 new claims, up 1,700 from the preceding week and 2,400 more claims for unemployment compensation than a year ago. They continued to give benefits to another 25,143, which represents 6,900 more continuing cases than there were in the same week of 1973. Their estimated total claims as of Aug. 31 were 25,100. The state's major employers include the durable goods chiefly non-electric machinery industries, employing 110,500; nondurable goods like food and kindred manufacture, 71,100; 380,000 in trade; 280,300 in service occupations; and 262,400 in government.

Indiana's work force at the end of this July totaled 2,408,000 with the unemployed numbering 152,000. Last year, there were 2,348,000 in the labor pool with 110,300 unemployed.

Breakdowns by industry were not available, but in July of this year, there were 746,200 workers in Indiana engaged in manufacturing, 577,000 producing durable goods and 171,200 manufacturing nondurable goods. In

July of '73, there had been 586,000 in the durable goods industry, 169,300 working in nondurable goods, for a total of 755,100 employees.

Iowa's employment security commission reports that as of the end of last July, there were 1,346,000 workers employed and 43,800 out of work. The same period in 1973 showed 1,308,300 working and 41,400 unemployed.

Proportionately, nonmanufacturing activities employ far more workers in Iowa than manufacturing. There were 739,400 engaged in non-manufacturing areas in 1974, compared to 742,100 in 1973, while 251,400 worked in manufacturing activities in 1974, compared to 242,800 in 1973. Manufacturing includes lumber and furniture industries, in both of which areas the figures hovered around 10,000.

Ends duty tour

Navy Seaman Thomas P. Mooshegan, son of Mr. and Mrs. Oscar Mooshegan of 3108 Colgate Place, has returned to Pearl Harbor, Hawaii, aboard the destroyer escort USS Davidson after a five-month tour of duty in the Western Pacific.

During the cruise the Davidson escorted aircraft carriers from the U.S. Seventh Fleet during amphibious and anti-submarine training exercises in the South China Sea. Mooshegan also visited Japan, Korea, Hong Kong, the Philippines and Guam while deployed.

A 1972 graduate of Granite City High School, he joined the Navy in February 1973.

SPECIMEN BALLOT

GENERAL ELECTION
NOVEMBER 5, 1974
MADISON COUNTY
ILLINOIS

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

PULL the red handle on the curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there (this will close the curtain around you and unlock the machine for voting).

On the ballot shown at the right you will find (in column 1, column 2, column 3, etc.) title of office or party position and the names of the candidates. Turn down the pointer at the right of the straight party or candidate or candidates you wish to vote for until an ☐ mark appears at the right of each candidate's name for whom you intend to vote, and leave the ☐ mark showing, then:

John Doe

to this

John Doe

Leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left as far as it will go and leave it there (this will register your vote and return the pointers to their first position, after which the curtain will open).

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore make as many changes in your ballot as you wish while the curtain lever is at its extreme right (curtain closed). There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

I, EULALIA HOTE, COUNTY CLERK OF MADISON COUNTY, ILLINOIS, DO HEREBY CERTIFY THE FOREGOING IS A TRUE, FULL AND CORRECT COPY OF THE OFFICIAL BALLOT TO BE VOTED AT THE GENERAL ELECTION ON TUESDAY, NOVEMBER 5, 1974.

Governor says amending power has been used well

By GOVERNOR
DAN WALKER

I urge people to please vote "no" on the constitutional proposition that will appear on the Nov. 5 blue ballot.

The proposition would weaken our system of checks and balances established by our new Constitution. That is the best safeguard we have against bad government. Tinkering with our Constitution, as this proposition does, will not improve government.

The delegates to the Constitutional Convention made two changes in the relationship between the governor and the legislature.

1. The delegates gave the governor amending veto power. Very simply, this gives the governor the right to propose changes, additions or deletions in a bill after it passes the legislature.

However, and this is important: if a change, addition or deletion is proposed, it must go back to the legislature for approval or disapproval.

2. At the same time, the delegates to the Constitutional Convention gave the legislature additional power. The delegates reduced the number of votes

needed to override a governor's veto.

The delegates reduced the number of votes needed to override a veto from two-thirds to three-fifths.

In the House, this means only 107 votes are needed to override instead of 118 and in the Senate this means 36 votes, not 40 are needed.

They may not seem like much, but these are significant reductions, since both houses have been so evenly divided.

Governors have had this amending veto for only four years—two under Governor Ogilvie, two under me.

I used it 57 times; Governor Ogilvie used it 58 times. That shows a certain consistency.

In those same four years, the legislature passed 4,500 bills. So, obviously, it has been used sparingly, not excessively.

And it has been used effectively—the legislature has approved 80 per cent of the amending vetoes on which it has acted.

I think two questions come to mind that should be answered: Why did the delegates to the Constitutional Convention establish the amending veto procedure? How has it been

used?

The amending veto was established because of the way that the Illinois legislature has operated historically. I am sure you have all read, or heard on radio or seen on television those last few hectic, chaotic days at the end of the legislative session.

Hundreds of bills are being passed, many of them after midnight, when it is difficult for even the best-intentioned legislator to really know what the legislature is voting on.

At those times, when a majority of the bills are being passed, errors crop up, mistakes are made, amendments get lost and, worse, somebody slips through a bad provision on a good bill.

The amending veto permits the governors to weed out those errors, to get rid of those special interest provisions.

Here are some examples of how I have used the amending veto:

1. Strengthening the state purchasing act by getting rid of a loophole in a bill making a number of needed reforms.

The loophole would have prevented the state from holding back contract

payments until it was satisfied that a job had been properly performed. That change would have cost the taxpayers money.

2. Removing a section from an election reform bill which

Services for Robert Walker

Graveside services were held Oct. 26 at Anderson Memorial Park Cemetery, Savannah, Ga., for Robert Lee Walker, 54, a former resident of the Quad Cities.

Mr. Walker died suddenly Oct. 24 while a patient at a Savannah hospital.

An employee of Johns Manville Corp., Mr. Walker was transferred by the company to Madison in 1961 from Alexandria, Ind., where he had worked for 20 years. He remained here until October 1970 when he was transferred to the corporation's Savannah, Ga., facility.

He was a veteran of U.S. Navy service in World War II and a member of the Elks Lodge.

Surviving are his wife, Mrs. Rosemary Walker; three daughters, Mrs. Valerie Byrne

of Savannah, Mrs. Camilla Barber of Memphis, Tenn., and Mrs. Annette King of Massachusetts; his mother, Mrs. Ida Walker and a sister, Mrs. Donna Baisinger of Anderson, Ind.

Memorial contributions in his name may be made to the American Lung Association, a family spokesman said.

Extinguish fire

Granite City firemen extinguished a fire in the basement of a building being demolished at 3500 Nameoki Road, during the weekend.

Lumber in the basement was on fire. The cause is not known. Officials said there was no loss, since the building was being demolished.

airlines that operate only within the state.

4. Providing orderly implementation for a good bill which said that being drunk is an illness, not a crime. The legislature provided no money and did not allow time to put a plan into effect.

The bill means, among other things, that a person who was drunk will have to be treated in a medical facility, not taken to jail.

But with no money and no plan and not enough facilities, the police would have been in an impossible position, with no way to handle an intoxicated person.

I simply changed the effective date to allow time to develop statewide programs and facilities for the alcoholics.

5. I used it to reduce the amount of state money to be given to the Chicago Transit Authority. On that one, the legislature overrode my amending veto.

My opponents do not claim that the power has been abused. They say only it "might be." That is hardly justification for substantially limiting a procedure which is an integral part of our new Constitution.

I could counter by arguing that the legislature be abolished because some legislator might abuse that power.

I think the real interest is how it has been used and can be used to make government work

better. I believe I have used it well and carefully—and the same was true of Governor Ogilvie.

I urge you to please vote "no" on the only constitutional proposal on the ballot.

GENERAL ELECTION
NOVEMBER 5, 1974
MADISON COUNTY
ILLINOIS

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

PULL the red handle of the curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there. This will close the curtain around you and unlock the machine for voting.

On the ballot shown on the right you will find (in column 1, column 2, column 3, etc.) title of office or party position and the names of the candidates. Turn down the pointer on the right of the straight party or candidate as candidates you wish to vote for, until an ☒ mark appears at the right of each candidate's name for whom you intend to vote, and leave the ☒ mark showing, from

Leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left as far as it will go and leave it there (this will register your vote and return the pointers to their first position, after which the curtain will open).

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore make as many changes in your ballot as you wish while the curtain lever is at its extreme right (curtain closed). There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

I, EULALIA NOTZ, COUNTY CLERK OF MADISON COUNTY, ILLINOIS, DO HEREBY CERTIFY THE FOREGOING IS A FULL, TRUE AND CORRECT COPY OF THE OFFICIAL BALLOT TO BE VOTED AT THE GENERAL ELECTION ON TUESDAY, NOVEMBER 5, 1974.

absentee balloting in county clerk's office through noon Saturday

Four hundred and eleven voters had applied to the county clerk's office for absentee ballots through Friday. County Clerk Eulalia Hotz said this week. She noted that today is the last day set by statute for

her to accept application for absentee ballots by mail. However, anyone planning to be out of Madison County Nov. 5 may vote in person in the county clerk's office this week until noon Saturday, Nov. 2.

A new provision in the election laws eliminates the necessity of applications being notarized.

In discussing rules for persons in the military or naval service, Miss Hotz said that a relative of the person in service may complete an application on his behalf through today.

But it would be wise to check with the county clerk's office to determine if the U.S. service person has previously applied, she noted.

These relative applications may only be completed by the father, mother, sister, brother or spouse.

The last day for applications for U.S. service personnel or their dependents to file is Oct. 31, as set by law; 187 have applied thus far, Miss Hotz reported.

Voters will have two important matters to vote on paper ballots before they use the voting machines this election, she said.

The Amendment to the Constitution ballot will be on blue stock and the County Nursing Home Building and Improvement Bond Issue proposition will be on white paper.

Candidates for various state and county offices as well as Madison County Board members and circuit judges to fill vacancies will be on the machine ballot.

The Democratic, Republican, Socialist Workers and Communist Parties will be listed in the first four columns in that order.

In the fifth column will appear (on a green strip) a judge seeking retention as appellate judge and another as circuit judge.

In the East Side Levee and Sanitary District area, voters will find the proposition of dissolving and replacing the East Side Levee and Sanitary District with a sanitary district organized under the Metro-East Sanitary District Act of 1974, in the sixth column of the machine on a pink strip.

Voters in Leef, Alhambra, Olive, Omphgent, St. Jacob, Marine and New Douglas will vote on the proposition of consolidation of townships, to be known as, in this order . . . St. Jacob-Marine, Alhambra-Leef, Omphgent-Olive-New Douglas.

The delivery of ballots and election supplies began Monday in the east end of the county, Tuesday in Collinsville, part of Nameoki Township and part of Granite City, and yesterday in Granite City and Venice.

Deliveries in the Wood River area and part of Alton will be made today and Alton and Godfrey will get precinct supplies on Friday.

Briefing sessions for judges of election will be conducted beginning today in Wood River, Friday in Highland, Saturday afternoon in Granite City, Saturday evening in Edwardsville and the last of the series in Alton Sunday afternoon.

Judges are not compensated for their attendance and Miss Hotz complimented them, noting that nearly all poll judges attend the sessions. She said they exhibit "true dedication."

SPECIMEN BALLOT

GENERAL ELECTION NOVEMBER 5, 1974 MADISON COUNTY ILLINOIS

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

PULL the red handle. Slide curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there (this will close the curtain around you and unlock the machine for voting).

On the ballot shown at the right you will find in column 1, column 2, column 3, etc., title of office or party position and the names of the candidates. Turn down the pointer at the right of the straight party or candidate or candidates you wish to vote for until an (X) mark appears at the right of each candidate's name for whom you intend to vote, and leave the (X) mark showing from this

John Doe

John Doe

Leaving the pointer as pointed down in their voting position, pull the red handle of the curtain lever to the left as far as it will go and leave it there (this will register your vote and return the pointer to their first position, after which the curtain will open).

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore make as many changes in your ballot as you wish while the curtain lever is at its extreme right (curtain closed).

There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

I, EULALIA HOTZ, COUNTY CLERK OF MADISON COUNTY, ILLINOIS, DO HEREBY CERTIFY THE FOREGOING IS A TRUE, CORRECT COPY OF THE OFFICIAL BALLOT TO BE VOTED AT THE GENERAL ELECTION ON TUESDAY, NOVEMBER 5, 1974.

World Community Day Friday

Paul Arthur Metzler, an ordained clergyman of the Lutheran Church-Missouri Synod and first executive director of CONTACT, a St. Louis organization designed to assist anyone with a problem, will be the guest speaker at World Community Day on Friday.

The observance will be held this year at Dewey Avenue United Methodist Church, 2136 Dewey Ave., and is sponsored by the Quad-City Church Women United, according to the president, Mrs. Leonard Roberts.

A native of Brooklyn, N.Y., Metzler attended Concordia Junior College, Bronxville, N.Y., where he began his pre-theological studies and received an associate of arts degree in 1964. The following year he received his bachelor of arts degree at Concordia Senior College in Fort Wayne, Ind.

In 1965, the guest speaker studied at Concordia Theological Seminary, St. Louis, where he earned the bachelor of divinity degree in 1970.

Metzler earned the Sacred Theology Master's Degree in July 1971 from the St. Louis seminary. His field of graduate study was pastoral counseling and he continued his clinical training at Care and Counseling

PAULA A. METZLER
World Day Speaker

in St. Louis. A breakfast and fellowship hour will begin at 9:30 a.m. Friday under the direction of Mrs. Grace Lensing, a member of the host church.

The program has been arranged by Mrs. John Gordon of the Church Women United group.

"The involvement of trained men and women in this new concept of concern for others is hailed as a much needed service for people of all ages in the community," Mrs. Gordon said.

All area residents are invited to attend the program, the chairman said.

Interveners file in dam injunction suit

A motion asking that the Association for the Improvement of the Mississippi River (AIMR), which includes Quad-City area groups, be named a defendant in the case against Alton Dam and Locks 26 has been filed in federal district court at Washington.

The motion listed 28 AIMR members including Carpenters District Local Council of Madison County, the Tri-City Regional Port Authority and the Southern Illinois Builders Association.

Others include Illinois and Missouri municipalities, transportation agencies, labor organizations, farmers groups, shippers, water carriers and civic organizations.

In the memorandum filed in support of the motion, George V. Allen Jr., Washington attorney, said that "in this case AIMR represents the region most directly and immediately affected by reconstruction of Locks and Dam 26 and by increasing deterioration in the present facility's capacity to accommodate existing traffic."

The motion is the second for intervention as defendants in

the suit brought against the proposed dam construction by environmental organizations and 21 western railroads.

The plaintiffs seek a permanent injunction to stop the navigation project by the Army Corps of Engineers.

No ruling has yet been made on the first intervention plea filed by the Water Resources Congress, the Ohio Valley Improvement Association and the Upper Mississippi Waterway Association. Under federal rules, any party who would be affected by the judgment of a suit has the right to intervene.

Rites Wednesday for S. H. Kays

Funeral services were held at 11 a.m. yesterday at a Belleville funeral home for Sylvester H. Kays, 75, of Belleville, brother of Carl Kays of Granite City. Mr. Kays died this week at Erlanger Hospital, Chattanooga, Tenn.

In addition to his brother he is survived by his wife, two daughters, and two sisters.

SPECIMEN BALLOT

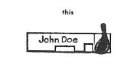

GENERAL ELECTION
NOVEMBER 5, 1974
MADISON COUNTY
ILLINOIS

DIRECTIONS FOR
VOTING ON THE
VOTING MACHINE

PULL the red handle of the curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there (this will close the curtain around you and unlock the machine for voting).

On the ballot shown at the right you will find (in column 1, column 2, column 3, etc.) title of office or party position and the names of the candidates. Turn down the pointer at the right of the straight party or candidate or candidates you wish to vote for until an ☐ mark appears at the right of each candidate's name for whom you intend to vote, and leave the ☐ mark showing from this

leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left so far as it will go and leave it there (this will register your vote and return the pointers to their first position, after which the curtain will open).

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore make as many changes in your ballot as you wish while the curtain lever is at its extreme right (curtain closed). There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left registers your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

I, SULAIA HOZE, COUNTY CLERK OF MADISON COUNTY, ILLINOIS, DO HEREBY CERTIFY THE FOREGOING IS A TRUE, FULL AND CORRECT COPY OF THE OFFICIAL BALLOT TO BE VOTED AT THE GENERAL ELECTION ON TUESDAY, NOVEMBER 5, 1974.

DEDICATION SPEAKER. U.S. Congressman Melvin Price told the audience at the weekend dedication of Granite City High School North that the future success of America is directly related to the quality of education offered to the young. Seated behind him are Donald W. Stucke, president of the Granite City Board of Education, center, and Harold E. Briggs, superintendent of the Madison County Educational Service Region, right.

SURPRISE GIFT to GCHS North Principal Gilbert V. Walsley (left) during the dedication. Brent Weiss, president of the school's chapter of the National Honor Society, gives Walsley a scrapbook recalling last year's school activities. The scrapbook was prepared by and given on behalf of the school's students.

THE BAND PLAYED ON during GCHS North's dedication. Directed by Robert D. Todoroff, the North band played the national anthem and accompanied the school's advanced mixed chorus in presenting the prelude to the third act of the opera "Kunihild" and the song, "Always Something Special." The dedication ceremonies were followed by an open house at the school, during which refreshments were served in the cafeteria.

SPECIMEN BALLOT GENERAL ELECTION NOVEMBER 5, 1974 MADISON COUNTY ILLINOIS

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

PULL the red handle of the curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there (this will close the curtain around you and unlock the machine for voting).

On the ballot shown at the right you will find (in columns 1, column 2, and column 3) title of office or party position and the names of the candidates. Turn down the pointer at the right of the straight party or candidate or candidates you wish to vote for until an ☐ mark appears at the right of each candidate's name for whom you intend to vote, and leave the ☐ mark showing, from this

Leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left as far as it will go and leave it there (this will register your vote and return the pointers to their first position, after which the curtain will open).

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore make as many changes in your ballot as you wish while the curtain lever is at its extreme right (curtain closed).

There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

'Help me . . . I'm scared' — Aid Society responds

"Please help me . . . I'm so scared and confused. I don't know what to do."

This phone call comes often to the Illinois Children's Home and Aid Society, a private, non-sectarian child welfare agency which belongs to and benefits from the Tri-Cities Area United Way.

On the other end of the line was a frightened, unmarried 16-year-old who was going to have a child.

She was one of 127 unmarried parents who received counseling and help last year through the Society's Southwestern Regional Office at 1002 College Ave., Alton.

Through the courtesy of the Coordinated Youth Services, another Tri-Cities Area United Way agency, young people and their parents are seen locally by the Illinois Children's Home and Aid Society in the offices of the Coordinated Youth Services, 1235 Niedringhaus Ave.

Chrissy came to the Society feeling she had no one else to turn to. There she talked to a sympathetic caseworker who gave her what she needed most of all: reassurance.

Reassurance that someone cared about her and wanted to help.

Reassurance that her situation was not so overwhelming that she couldn't handle it. And, perhaps most important of all, reassurance that she wasn't alone.

From this point on, her

caseworker would be with her every step of the way.

To help Chrissy accept the reality of her situation and begin to put it into perspective, the caseworker explained that the Society would help with all the immediate arrangements—prenatal care, living quarters, obstetric care and financial assistance suited to her special needs.

But as reality became clearer, a most important question loomed uppermost in Chrissy's mind: What would happen to her baby?

This question was one her caseworker couldn't answer for her. Whether or not she would eventually keep her baby or relinquish him for adoption would be her decision to make on her own, after she had gained an insight into her own problems and an understanding of her deep feelings toward herself and her child.

Throughout this period of indecision, it was her caseworker who gave her the guidance, support and understanding necessary for her to resolve her feelings. And, it was the caseworker who was always "there" when she needed someone to lean on.

Chrissy finally decided that she wasn't prepared to make a good home for her child and decided to relinquish him for adoption.

Through careful interviews with prospective parents, the right adoptive home was found

for her baby, with warm, loving parents who would help him grow and develop to his full potential.

Shortly after the baby was relinquished, he joined his adoptive parents. Again, the adoption caseworker was available to them to help them when needed.

Last year, four Quad-City area couples were helped by the Society to become parents through adoption.

Chrissy, incidentally, is one of 23 young girls from the Quad-Cities who have been helped through the Society's maternity counseling program in the past year. The name is not her actual name, but the events are true. As they assumed the responsibilities of motherhood, these young women had the continuing support of a caseworker, and assistance in moving back into the normal activities of community, school or job.

When needed, help was given in arranging child care so the young mother could return to school.

On a statewide basis, the Society provides protection and care, as well as counseling, for more than 700 youngsters through its foster care, supervised group homes for adolescents, and residential treatment for young children programs.

These special services are available to local youngsters when needed.

"These facts and the story of Chrissy are something to remember when you're asked to give during the Tri-Cities Area United Way drive this year," a spokesman for the Society commented.

"The Illinois Children's Home and Aid Society is just one of 18 member agencies which must share your gift of caring."

For more information about the Society, Quad-City workers or residents may call Miss Mary Yowell at 462-2714.

AT THE OTHER END OF THIS LINE a young girl like "Chrissy" can find professional help and care when problems of an unwanted pregnancy arise.

Each year, the Illinois Children's Home and Aid Society, a local United Way agency, offers help to area unmarried parents without regard for race, religion or nationality.

Car hits tree

Elmer Humphrey, 49, of 1808 Ferguson Ave., was injured when he slowed his auto to avoid a stopped car and his vehicle skidded on wet pavement off the roadway and into a tree at Pontoon and Cargill roads at 9:30 p.m. Monday.

Humphrey was taken by ambulance to St. Elizabeth Hospital where he was admitted with a large cut to his head and abrasions to both arms.

Y to emphasize fitness

The Tri-City Area YMCA in its second fall session beginning Monday will put emphasis on adult physical fitness. To begin the session the first week, there will be free blood pressure and heart rate screening for anyone who desires them.

The YMCA nationally has made physical fitness one of its major priorities. The need is evidenced in the number of deaths due to cardiovascular ailments, the increase in hypertension, and the nation-wide obesity problem, Y officials said.

The Tri-City Area YMCA operates two fitness centers, one for men and one for women. These areas include all types of exercise equipment and sauna, steam room, gym, and pool. Also being instituted this season is private fitness testing and counseling for all fitness center members.

The fitness testing procedure is a comprehensive evaluation of an individual's total fitness based on a number of factors including percentage fat, flexibility, and cardiovascular efficiency.

After a fitness evaluation, an

exercise program can be individually tailored to a person's needs, time availability, and life style.

Fitness counseling is then available, including diets, tips on relieving tension, how to continue an exercise program painlessly.

The YMCA believes strongly in physical fitness for everyone and has been a pioneer in the field since the turn of the century, according to Michael Tharp, program director.

The fitness testing and counseling will be offered to "Y" Fitness Center members for \$4, to regular "Y" members for \$10 and to non-members for \$20. The testing and counseling is done by appointment and takes about an hour. More information may be obtained at the "Y" at 876-7200, or at 2001 Edison Ave., Tharp said.

Breakfast honors Nameoki personnel

An appreciation breakfast honoring teachers and staff members at Nameoki School was hosted by the PTA executive board in the cafeteria.

Vincent Rogier Jr., PTA president, said about 350 parents and pupils also toured classrooms at the school in observance of American Education Week.

Halloween parties and a "spook" parade are planned today at the school, the officer said.

Classes will be dismissed at 11:45 a.m. Monday when a teachers' institute is scheduled, Rogier said. Pupils also will be released from school at the same time Tuesday and Wednesday for parent-teacher conferences, he added.

PTA members are planning a candy sale, starting Nov. 6, as its sole fund-raising project of the school year, Rogier announced.

THE TIFFANYS of suburban Chicago, the 1973 International Queens of Harmony of Sweet Adelines, who will be featured in the Collinsville chapter's show at 8 p.m. Saturday at Webster Junior High Auditorium, Collinsville. From left to right—Jane Walker, tenor, Louise Manicki, bass, Joan Melling, lead and Dale Syverson, baritone. Tickets may be obtained at the door.

Sweet Adelines' show Saturday

"Happiness Is . . . Memories" is the theme of the 7th annual Sweet Adelines show to be presented by the Collinsville Chapter at 8 p.m. Saturday. The public is invited to attend the performance at Webster Junior High School, 108 W. Church St., Collinsville, according to Mrs. Joyce Walker of Granite City, who may be contacted for tickets at 878-3614. Tickets may be obtained in advance, costing \$2.50 each, or at the door Saturday night at a cost of \$3 each, Mrs. Walker said. Senior citizens will be admitted for \$1 each, she added.

Top attraction of the show will be The Tiffanys, 1973 Queens of Harmony of Sweet Adelines. The quartet won the international championship last year and now represents the 600 Sweet Adeline chapters and their 25,000 membership.

The Tiffanys originate from suburban Chicago and consists of Jane Walker, tenor, Joan Melling, lead, Dale Syverson, baritone, and Louise Manicki, bass.

The Tetrachords from Kirkwood, Mo., a highly rated singing group which won the 1974 Region 3 championship in Chicago in March, also will appear in the show.

Quartet members include Terry Studebaker, tenor, Sandy Spilker, baritone, Nance Reinhold, bass, and Patti Frie, lead.

Garden club members win honors

Three local garden club members won awards for their entries at the District V "President, Council Day" contest held in Lebanon.

Mrs. W. H. Bradley, president of Cloverview Club, won second place honors in the artistic division for her entry in the "simplicity" class. She used all fresh materials in an oriental arrangement.

In the horticulture division, Mrs. C. E. Eads, treasurer of the Gardenaires Club, won five blue ribbons, and Mrs. Wilmer Winter, president of the Garden Study Club, received four blue ribbons and one red ribbon.

Other local members attending the all-day event were Mrs. George Stearns and Mrs. Delbert McKissack of the Garden Study Club; and Mrs. Charles Kohl and Mrs. William Long of the Gardenaires.

Mrs. Alan Atkins, a graduate of Otani Women's College, Tokyo, Japan, was the guest speaker. She presented six distinctive arrangements and explained the techniques used in making the moribana, morimono and landscape arrangements.

Mrs. Atkins instructs classes

at 1 p.m. on the second and fourth Wednesday of each month at the First Presbyterian Church, Belleville, it was announced. Further details are available from Mrs. Wayne Merrills of Belleville.

During the meeting, past district directors and presidents of local clubs were honored. The group also voted a per capita increase in dues.

District officers reminded the club delegates of an anti-litter campaign, using the slogan "Make Cash, Not Trash."

BEDROOM BEAUTY DEPENDS ON MORE THAN JUST THE BED

In the old days, most bedroom decorating consisted of choosing the right bed plus adding such standard equipment as a low chest, or dresser and a high chest—and that was about it.

But today people want more beauty and more convenience in their bedrooms, and more and more people are using different pieces of furniture to make their bedroom well-decorated so that it will stand on its own as a beautiful place.

What can be added to a bedroom to achieve this new beauty and convenience? Here are a few ideas. How about a pair of straight chairs with a table between them; a desk; bookcases; an armchair; a beautiful dressing table; a chaise longue; a love seat; or an attractive bench.

And, of course, the new bedroom can be coordinated with carpet, drapery, wall design, bedspreads and other accessories.

But what about the old problem of storage? Most homes without dressing rooms or big closets still need bedroom chests—but you don't have to settle for the old standard equipment. You can see a variety of beautiful, high, low, single, double and triple dressers, chests and storage pieces that will not only hold clothing but improve a room decoratively.

For all kinds of furnishings and ideas to add new beauty to your bedroom, stop in and browse around.

Your dream bedroom is here. We carry all the finest names in furniture. Including Bassett, Singer, Sierra, Permanet, Menards, Burlington and Brookline.

Handmade items at church bazaar

The 7th annual Christmas bazaar at St. Elizabeth Church will feature handmade gifts and homemade food. The public event will take place Saturday and Sunday in the school cafeteria, Pontoon and Johnson roads.

Fourteen booths will offer handmade items, suitable as Christmas gifts, home-baked goods and an assortment of handicrafts, according to Mrs. Kathy Pfaff and Mrs. Betty DeRuntz, general co-chairmen. The booths will be open from 10 a.m. until 7 p.m. on both days.

Mrs. Anne Pare and Mrs. Marge Noeth, kitchen co-chairmen, said complete barbecued pork steak dinners will be served on Saturday, costing \$1.75 for adults and \$1 for children.

Sunday's menu will offer a choice of roast beef or Sarmas (pigs-in-the-blanket), at a cost of \$2.25 for each adult and \$1 for children. The meals will be served from 11 a.m. to 6:30 p.m. on both days and the prices include a dessert and beverage, the chairmen said.

Mrs. Pare pointed out that St. Elizabeth parishioners have contributed toward the kitchen costs to help keep the meal prices down. The only increase in price this year is an added 25 cents to the adult meal on Sunday, she said.

Members of the St. Elizabeth Altar Society began making Sarmas from an old Yugoslavian recipe six years ago, cooking enough the first year to fill four roasters, Mrs. Pare said.

Each year, the Sarmas have been quickly sold and the following year an additional quantity was made. For this year's bazaar, a total of 20

Parade participants are to meet at the City Hall at 7 p.m. and follow a parade route south on State Street to 19th Street, west to Delmar Avenue and Niedringhaus, and return to the judging location.

roasters filled with Sarmas is being prepared.

About 18 women are involved in cooking in the kitchen and many others help to serve and with the clean-up chores, Mrs. Noeth said. Side orders and

carry-out service also will be available at the bazaar, she noted.

Free coffee will be available to anyone who cares to browse around the booths, the chairmen said. A new booth, called

Kiwanis to aid Salvation Army

Joseph Palovchik, president of the Evening Kiwanis Club which met Monday in Charlie's Restaurant appointed Kiwanian Marvin Barnes as chairman of the Kiwanian Bell Ringers committee to assist the local Salvation Army.

Palovchik asked Barnes to contact the Salvation Army for a date when the Kiwanis Club may help with the annual Christmas charity event.

Kiwanian Robert Schoeber was appointed chairman of a Christmas party. Date and place have not been determined.

The club referred a request to assist a college student with room, board and tuition to a special committee to investigate the situation and report back to the club.

Allan Jesse was asked to study a suggested "Teenager of the Year" project and make a report to the club.

Five members of the Edwardsville Kiwanis Club attended the local Monday evening meeting.

Halloween parade judging tonight

Judging of the best costumes in the annual Halloween Parade sponsored by Granite City Moose Lodge 272 tonight will be conducted at the City Hall. In case of inclement weather the judging will take place under the canopy at the First Granite City National Bank's parking lot, parade officials announced.

Cash prizes will be presented to the best in three categories, most original, prettiest and funniest. Consolation prizes also will be given in each division.

Those serving on the judging committee are Warren L. Decatur, Earl Baker and Captain Ronald Kerley.

Parade participants are to meet at the City Hall at 7 p.m. and follow a parade route south on State Street to 19th Street, west to Delmar Avenue and Niedringhaus, and return to the judging location.

Rites held for Mrs. Bender

Graveside services were conducted at 10 a.m. Wednesday at Sunset Hill Cemetery, Edwardsville Township, for Mrs. Bertha Bender, 98, of 2225 Cleveland Blvd.

She died at 7:35 p.m. Sunday at the Colonial Nursing Home, Maryville.

Survivors include two daughters, one son, seven grandchildren and 10 great-grandchildren.

Smith national winner in energy conservation

A. O. Smith Corporation has been named one of five national winners in an energy conservation awards program sponsored by Iron Age, a leading industrial publication. The award was presented to A. O. Smith's Automotive Division for innovative energy saving process improvements in its parts washing operation. Results of the program have included nearly 50 per cent reduction of steam consumption without any noticeable effect to the washed steel components. Paul J. Kemp, former local plant manager and the chairman of A. O. Smith's Energy Conservation Committee, noted that the award-winning program has saved enough on monthly steam consumption to heat over 300 homes during the coldest month of the year.

Key to the program was the introduction of a new cleaning solution which enabled pressed steel frame components to be washed at 50 per cent lower temperatures.

Previously, washing operations at A. O. Smith were performed at temperatures between 180 and 210 degrees F. With the new low alkaline cleaning solution, the machines now operate at temperatures between 88 and 110.

"The program borrows a principle that has been familiar to homemakers for years. We simply took the cold water washing theory and put it to work for us," Kemp said.

Parts washing operations comprise the largest heat consuming process at the A. O. Smith Milwaukee plant. They are vital to the production, since pressed steel components must be cleaned to assure proper welding for the assembly of automobile and truck frames.

After assembly, the frames must be washed once again to assure proper application of a special paint that guards against rust and corrosion.

In addition to the parts washing operation, tests have been conducted at A. O. Smith to evaluate all steel preparation and heat treating processes.

In early 1974, an environmental laboratory was formed to conduct tests, to evaluate programs and to reduce waste, utility usage and raw materials.

The laboratory also is chiefly responsible for implementing the corporation's pollution control programs.

"Our commitment to saving energy has not diminished along with the lineup of cars waiting for gasoline. We realize its importance and will continue to change our processes to reduce the severity of the energy crisis," Kemp said.

The national awards program was sponsored by Iron Age to help industries share helpful information on energy conservation efforts in metalworking.

Second fall session of classes at YMCA

"The second fall session of seven-week classes is set for Nov. 2-Dec. 22," Harold Rudolph, executive director, reported this week.

"Some new classes have been added for the session along with many of the regular activities."

"Belly dancing for beginners and intermediates is scheduled, and there has been a big interest in it. Teenagers, young adults and adults are invited to register."

"Judo and wrestling for youth, teens and young adults is to be continued in the session. Judo is set for Monday and Wednesday evenings, and wrestling for Tuesday and Thursdays."

"Yoga will be offered on Wednesdays from 7-8 p.m. Men and women are invited to participate."

"A full range of swimming classes for youth, junior high, teens and adults is on the schedule. Helping persons learn to swim for their safety and enjoyment is our goal," Rudolph noted.

"A new feature in the session is a swim team which practices regularly, daily from 5:30-6:30 p.m. Anyone interested in competitive swimming can register."

"The pencil art class for adults is planned for Tuesdays at 8 p.m. Anyone interested in trying his skills is welcome. "Dance classes for adults to learn social dancing is set for Thursdays, 8-10 p.m."

"Ballroom classes for youth and adults are available, as well as classes in tap dancing and modern or jazz dancing."

"Fitness programs for men and women are scheduled in the gymnasium and pool to allow persons to maintain good physical condition. Mike Tharp, program director, will be offering a testing program based on doctor's referrals."

"Noon times for jogging in the gym, volleyball on Monday-Wednesday-Fridays, basketball on Tuesday-Thursday-Saturdays, and lap swims in the pool are set to allow persons to work out daily."

"A special women's fitness program is scheduled for Tuesday-Thursday mornings and evenings."

"Another special feature is baton twirling under the instruction of Mrs. Ray Yount. Classes are planned for Fridays after school."

"On Saturday mornings, Fun Club from 9 a.m. to noon is held to offer youngsters ages 7-13 a fun-filled morning of swimming, gym activities, BB gun shooting and games in the "Y" arcade."

"Registration for all of the activities and classes for the second fall session is scheduled through Nov. 2, with classes to begin on Monday, Nov. 4. Call the "Y", 676-7200, for more information," Rudolph suggested.

Arrest 3 boys in vandalism at area plant

Three Granite City boys, ages 11 and 12, were arrested by Madison County sheriff's deputies this week inside the machine shed of Young Sheet Metal Co., 2686 Route 151, after considerable damage was caused by vandals at that location.

Deputies were told at 5:15 p.m. Sunday that three youths had been seen entering a window of the plant. A deputy looked through a window and saw boys inside, allegedly breaking open lockers with a sledge hammer.

He entered and made arrests. Officials said four lockers were broken open and another dented, two windows broken, three fire extinguishers emptied on the floor, tools scattered throughout the shop and five to 10 gallons of diesel fuel dumped on the floor.

Outside, the passenger window to one tractor-trailer cab was broken and the fire extinguisher and logbook removed.

A glove compartment of another tractor cab was found open and the logbook was removed.

A 200-gallon diesel fuel tank was nearly emptied and a quantity of the fuel was on the ground, officials said. The boys were released on notices to appear with their parents before juvenile authorities.

In Marine training.

Marine Sgt. Joseph H. Maitret, husband of the former Miss Debra J. Coeburne of Holiday Mobile Park, Granite City, has begun Drill Instructor School at the Marine Corps Recruit Depot, San Diego, Calif. During the seven-week course, he will receive instruction in close order drill, rifle and pistol marksmanship, uniform regulations, history and missions of the Marine Corps, leadership principles and techniques of military instruction. The course is designed to provide Maitret with the professional knowledge necessary to supervise and train recruits. He joined the Marine Corps in May 1969.

County adopts park controls

An ordinance authorizing fines of up to \$300 for vandalism or other illegal activities in Madison County parks has been approved by the Madison County Board.

The new ordinance prohibits dumping, vandalism, disturbing the peace, carrying firearms or fireworks, illegal driving and parking, selling, posting signs, removing flowers or shrubbery and related activities in county parks.

It also prohibits bringing dangerous animals into the parks and states that dogs must be kept on leashes not longer than six feet long.

It requires permits for groups of 25 or more persons wishing to use the park, except for schools

related and governmental activities.

Permit applications are to be filed with the Madison County Clerk at least 30 days before the activity.

The board designated Lester L. Miller as acting county superintendent of highways, replacing Lee R. Schlemmer who died Oct. 18. Miller was Schlemmer's assistant prior to the former superintendent's death.

Approval was requested from the Department of Transportation on the temporary appointment.

Nelson Hagnauer of Granite City, chairman of the County Board, commented, "We are fortunate to have a man of Mr. Miller's qualifications." He also said, "We will all miss Mr. Schlemmer."

The lowest of three bids for a new pickup truck for the highway department was accepted from Big Four Chevrolet of Collinsville for \$3,448.

The board authorized the state's attorney's office to begin condemnation proceedings against the owner of one parcel of ground which is needed as right-of-way for the extension of Maryville Road.

Clifton C. Losh of East Alton was appointed as a member of the Madison County Zoning Board of Appeals, replacing Howard Kaseberg of Granite City, who resigned while chairman of the board. Losh will complete Kaseberg's term

which expired Feb. 20, 1975. Herbert S. Carren, Rural Route Two, Granite City, was appointed to the Mitchell Public Water District, filling the unexpired term of Robert L. Franko, who resigned.

The board authorized the purchasing department to advertise for bids for several items, including a new elevator for the courthouse.

It was explained one old elevator is in dangerous condition. The new elevator will be operated automatically and can be used at all hours. It also will go to the fourth floor. The present elevators stop at the third floor.

The full-time and part-time elevator operators at the courthouse will continue to be employed to run the one old elevator which remains in operation.

The board reserved \$90,000 from the county's contingency fund for the elevator purchase, but said they expected to be able to have one installed for about \$75,000.

Bids also are to be sought for painting the lobby and some offices on the second and third floors of the courthouse, for an air compressor to replace one at the courthouse annex, for a doorway between the vault and the office of the Recorder of Deeds, and for carpeting in three rooms of the Recorder of Deeds' Office.

A street in Eagle Park was officially renamed Matilda Drive from its former designation of Township Road. The East St. Louis Post Office

Stevenson working to restore trust in government

U. S. Senator Adlai E. Stevenson III was not our choice in 1970 when he defeated the late Sen. Ralph T. Smith of Alton, a native Granite Cityan. But we think he has tried to fulfill his pledge of "plain talk and hard work," and deserves re-election next Tuesday.

Sen. Stevenson frequently calls for "vision" among government leaders — and has sought to help provide it, even at the expense of taking unpopular stands.

A descendant of several prominent ancestors, the relatively young Democratic legislator is regarded by some as a liberal but also has pleased conservatives by opposing

amnesty for deserters, fighting over of nuclear technology, backing ethics proposals and making annual personal financial disclosures.

The senator worked for "a better break for single tax payers" and independence for the Watergate prosecutor. He has been an advocate of a major new airport at Columbia Waterloo, but took stands against the superionic transport proposal and the costly financial rescue of Lockheed Aircraft.

Stevenson has the courage to do his less-known 1974 opponent six times. He opposed continued U. S. involvement in Southeast Asia and voted against confirming such federal appointees as former Attorney General Kleindienst. Points against him include his opposition to federal revenue sharing, his effort to create a federal oil and gas corporation and his attempt to keep alive past wage and price guidelines.

He calls for making "government at all levels more representative, responsive and accountable and apply says that 'restoring trust in our political and governmental institutions is the most important thing on our agenda; unless we succeed at this, we can succeed at nothing else.'"

Dixon's treasurer policies have helped taxpayers

Alan J. Dixon is recommended for re-election as state treasurer on Nov. 5. The 46-year-old Belleville Democrat has served ably in that position for four years and has held elective office for 25 years, including 12 years in the Illinois

House and eight years in the State Senate.

His public service has included membership on the Constitutional Study Commission; that group recommended the convention which led to preparation and adoption of the 1970 State Constitution.

During his treasurer tenure, the office has been run economically and has had record investment earnings. He is well qualified to continue in the post, and merits future consideration for even higher office.

Recommendations are given for university trustees

All six of the two major parties' University of Illinois trustee candidates appear to be qualified.

We lean toward a Republican, Gardner W. Heidrick, 62, Hinsdale, and two Democrats,

Mrs. Nina T. Shepherd, 41, Winnetka housewife, and Robert J. Lenz, 37, Bloomington attorney and developer.

Heidrick is a management consultant and past national president of the university's alumni. Mrs. Shepherd, the wife

of an investment banker, promises to devote extensive time to the demanding university board duties. Lenz, a former state representative and state senator serving the local region, is the Democratic nomination to succeed retiring Cong. Kenneth Gray.

Cong. Price deserves 16th term, Simon initial term

Voters of the 23rd Illinois Congressional District are urged to return to Congress the man who has served the region that includes the Quad-Cities for the past 30 consecutive years — Melvin Price.

Senior Illinois Congressman seeking re-election, he heads

the House Committee on Atomic Energy.

Ranking member of the Armed Services Committee and chairman of its Research-Development Subcommittee, Mr. Price is needed by the district and the nation in the office he now holds.

Recommended for Congress in the 24th District is a longtime friend of this community, Paul Simon, 39, St. Louis, who is governor of Illinois and a former state representative and state senator serving the local region. He holds the Democratic nomination to succeed retiring Cong. Kenneth Gray.

Calvo, Walters, Steele highly qualified for House

Quad-Cityans are faced with a difficult choice in the 56th Legislative District. Three state representatives are to be chosen from a field of four able candidates.

Incumbent members of the General Assembly are Horace L. Calvo, Granite City Democrat, and Robert J. Walters, Alton Republican. Seeking initial terms are Democrat Joe E. Walters, Jr. of Edwardsville and Republican Everett G. Steele of Glen Carbon, a former Granite Cityan.

Because of the preponderance of Democrats in this district, Calvo, an effective legislator with six years in the office, and Lucco, a school administrator with 40 years' experience as an educator, are heavily favored to gain two of the House seats.

Walters also shows considerable strength in the four-way GOP primary race.

Calvo and Walters, a representative for four years, have served their constituents conscientiously. They have responded energetically to the needs voiced to them.

Steele, a reformer for 20 years, Calvo, a former legislator, is a citizen who has served in many constructive community activities. He holds the Democratic nomination to succeed retiring Cong. Kenneth Gray.

Substantial county earnings during Musso's tenure

Democrat George Musso of Edwardsville, Madison County treasurer in 1962-66, from 1970 to the present, is favored for re-election on the basis of improvements in administration of the office, including high earnings from investments of temporarily idle funds. He has 29 years of governmental experience.

His opponent, Republican Donald W. Emde, of Bethalto, is knowledgeable in business administration and computer programming. He stresses that his election would partly restore the two-party system and thus underscore the concept of "checks and balances" in county government.

Weighing all factors, including age, we are inclined to vote for Rep. Calvo, Rep. Walters and Mr. Steele, while also acknowledging that Mr. Lucco is an attractive candidate likely to do a good job at Springfield.

Positive law enforcement proposals voiced by Urban

Democrats are heavily favored in the Nov. 5 Madison County election but Robert J. Urban, Troy Republican, may attract considerable support because of his vigorous campaign and his positive law enforcement proposals.

More intensive training is promised, along with substantially increased utilization of the present staff and equipment.

He is convinced that services can be upgraded markedly without added cost and without resort to special units for unauthorized drivers.

A crime studies field analyst, Urban proposes to revamp command and administrative procedures, retain existing merit system employees, expand patrols and investigations, increase juvenile programs and curb drug abuse.

The incumbent sheriff, John Maeras, has extensive governmental experience. He has been making headway in improving services during his first term and hopes to continue such improvements.

Detective, juvenile and photography sections have been created. Additional marked and unmarked cars have been assigned to some problem neighborhoods, and communication with the public has been broadened.

Whitsell active, effective member of County Board

Louis Whitsell, incumbent member of the Madison County Board from District 26, won the Democratic primary and is opposed next Tuesday by two independent candidates. He also holds the office of Namekott Township supervisor.

One of the most active and effective of all of the County Board members, he has been a member of the board for three and a half years.

Chairman of the Education and Recreation Committee, Whitsell has helped foster establishment of a number of parks and a nature trail as well

as overseeing functions of the county museum and educational service region.

His County Board committee memberships include the Board of Use Committee, which has sought to encourage orderly growth; the Executive Committee, which coordinates the work of all committees and has obtained federal manpower planning funds for the county; and the Four-Township Sewer Committee, which is succeeding in getting badly-needed sanitary sewerage lines laid along and into the ground.

Running as Democrats and unopposed for election to the County Board are two Quad-City incumbents, William B. Webb Jr. of District 19, with 23 years on the board, and County Board Chairman Nelson Hagnauer of District 20, with 19 years as a board member.

Also unopposed for the County Board are local Democrats Daniel Partriny, who has the District 21 primary over the incumbent, and Walter "Dick" Sparks, Chouteau Township supervisor, who won the District 16 primary this spring and was a County Board member until two years ago.

Local vote may decide outcome of levee plan

Quad-Cityans will help decide Nov. 5 whether to create a new Sanitary District replacing the East Side Levee and Sanitary District. The issue will be on voting machines.

Local votes could be decisive. State Rep. Monroe Flinn of Cahokia, sponsor of the referendum call, believes backers and opponents in the St. Clair County portion of the district may be about evenly divided.

The proposal includes both advantages and disadvantages. The chief benefit—vesting of administrative authority in an appointed professional engineer—and other aspects of the changeover would not be effective until December 1976 even if approved this fall.

House Bill 2143, passed by the Illinois Senate and House and signed by Gov. Daniel Walker, leaves the district largely under its present management as of May 17, 1977. Its overall mission would remain "to drain and protect from overflow for sanitary purposes and to provide for sewage disposal."

Instead of a board of trustees elected by the public, there would be a board of commissioners, whose function would place more emphasis on policy setting and less on directly supervising operation of the network of drainage lines, levees and pumping stations.

The Quad-City County would continue to provide three members and the Quad-Cities two; the board would be divided into two portions of the district would continue to govern which area has the board majority.

Appointments would be made by the county board chairman within each portion, presumably Nelson Hagnauer, Madison County Board chairman, and Victor Ciani, favored for election as St. Clair County board leader in the November balloting.

The chairman of the Madison County Board is chosen annually by the 30 electors of the present levee system and would continue to be subject to the advice and consent of the two county boards.

The new sanitary district would be obligated for the same indebtedness as the present levee system and would continue to be subject to the real and personal property tax base.

In the latter connection, while tax extensions are larger south of the county dividing line, levee tax collections from Quad-Cityans by far outdistance those in the East St. Louis-Cahokia-Centerville area.

The enumeration of powers involves levees and embankments, protecting against overflow from rivers, streams and water courses; auxiliary levees, dikes, levees, drains, conduits, treatment plants, pumping plants, ditches.

Whether the new sanitary district becomes a reality in 1976 will depend on a "yes" or "no" majority vote district-wide Nov. 5, 1974.

Advocates of the new system have spelled out the qualifications of the executive director—professional engineer with specified experience, etc.—as a step forward. Not much of a step.

During most of its existence since 1907, it has been managed by a civil engineer with such qualifications.

The legislation presumes that the new director will have more authority in elections in his own right than the board.

We doubt there will be any change. He will still be an engineer working for a board.

Powers of the proposed board are vast. But so are powers of the old board.

The strongest argument for passage of the proposed system in the referendum next month is "Let's try it. It couldn't be any worse than the present Levee Board."

Created in 1907, the East Side Levee District has a long history of corruption and fumbling management.

Its patronage army has been tried in elections in both counties, especially St. Clair, for years, blighting other elective bodies.

As indicated above, the voter following this reasoning would have to do it with his fingers crossed.

In suggesting a vote for the new system, we predict no miracles and, indeed, expect to see East Side Levee District continue to be a synonym for bad management, rip-offs and patronage in its worst guise.

'Blue ribbon' board likely?

Collinsville Herald—We have mixed feelings about the proposal for an appointed East Side Levee District board and find it difficult to make an enthusiastic recommendation to the voters.

We find it most repugnant to have to confess that the democratic process of direct election of the board is a failure.

That is what voters will be saying if they vote to abolish the board and substitute a five-member bi-partisan board appointed by the chairman of the Madison County Board and St. Clair County Boards.

Under the existing assessed values, that would give control to the St. Clair County Board chairman, since he would be entitled to three appointments; the Madison County value is rising in relation to St. Clair, and this might change in the future, but for now St. Clair has the clout.

This would be no change from the present situation in which by election St. Clair County Board chairman would be the board member.

We don't admire the St. Clair brand of politics but it wouldn't be any worse than before in respect to majority-minority.

Advocates of the new system contend it would be better, that in appointed officials would be higher-class people than elected ones. Frankly, we doubt it.

There is a provision in the law is an improvement. A Vice County Republican or a Nelson Hagnauer Republican doesn't sound truly bi-partisan to us, but we'll give them that.

Says not backed by special interests

To the Editor:

Honesty in government should be everyone's major concern.

If the people wish to see a more effective government, they must reward honesty and severely punish those who dare to flagrantly abuse their trust. I sincerely believe that this is necessary at this time.

I will speak to two issues I believe voters should know about.

(1) I am not campaigning for election to the County Board, District 26, because Louis Whitsell defeated my father for Namekott Township supervisor some years ago.

If the people will analyze the situation, it is easy to see that I am not running for township supervisor. This is another tactic composed by Mr. Whitsell and his political hacks.

anytime to become a candidate. It was a decision that was my own, and I am proud of the fact that I worked to get on the ballot as an independent candidate.

It appears obvious that Mr. Whitsell just cannot handle opposition. He cannot bear for anyone to differ with him, which seems adolescent to me.

(2) The second issue is financial backing. I am proud to say that I am not backed by any special interests or "machine."

It is obvious that I am not backed by any "big money" at all, because of the absence of political posters, bumper stickers, and the like. I personally do not have the resources to have such items printed.

I feel that I am campaigning as "a citizen for the citizens." Because, just as the people I wish to serve, I do not have money enough to spend on an extravagant campaign.

I work, and I live, I have a young family, and the money can be more wisely spent on life necessities.

I hope that the people could relate better to "a citizen for the citizens" than they could relate to a man like Louis Whitsell who holds two positions in government, plus a full-time welder's position.

I hardly think he perceives the people as much more than fools, while he takes their money, and forgets his responsibility to them.

Some may say, "Well, the man is ambitious, and that is good." Surely, Mr. Whitsell is ambitious, but I question whether his intentions are in the right place.

I am thankful to those who have assisted me in my campaign and to the people of District 26 who have opened their ears and minds and listened to me. I am grateful.

To the public, no matter how you vote, please exercise your right to vote. It is your way to voice your satisfaction or dissatisfaction with men in elective offices.

If you believe the way I do, vote sincerely, honestly and "truth with youth!" Bradley "Mike" Briggs

Confident of state candidate's ability

To the Editor:

I thank all my friends in the Quad-Cities for supporting me last spring in my attempt to gain the Democratic nomination for the office of state representative from the

56th District.

I also would like to urge my friends to support a man who was successful in the primary, and a man for whom I gained a lot of respect, Joe E. Lucco.

I ask citizens' vote and support for Joe E. Lucco on the Democratic ticket for state representative from the 56th District. I am confident Joe will truly represent us well.

Whitsell dependable problem-solver

To the Editor:

I have known, been associated with and been a friend of Louis Whitsell for 20 years, and I have been proud to work with and for him in the elections past, for seven years.

Whitsell has always been someone we can depend upon to help us solve our problems.

He is always interested in helping our township become a better place to live in, and I'm proud to be a resident.

He is a man enough to stand up for his own beliefs and not let anyone demand of him what he does.

He has always been an honest, hard worker for us and I believe he will continue to be, as long as we, the people of this area, stand behind him in our own individual way as best we can.

Any political figure is only as good as the platform on which he stands and enforces, not only as a political figure, but as a friend of the people.

To the best of my knowledge Mr. Whitsell has never degraded any political opponent, such as some of our area politicians have.

In my opinion, concerning another politician, Mrs. Helen Hawkins has helped to do many good things concerning our drainage problems in our area.

But we should remember that she has had many hard-working people behind her and helping her who never received credit for this.

I myself am a flood victim of Precinct Five of Namekott Township and I have many water problems, so I know what and who has helped us.

I have always been well satisfied with the work of our precinct committeeman, Dean Satture, whom Mrs. Hawkins defeated in April.

Shortly after the election, she accepted the position of health inspector in Namekott Township, and held this position for only two months.

She resigned to oppose Mr. Whitsell in his current campaign for office as County Board member of District 26. In my opinion, this was a complete betrayal of Mr. Whitsell.

Unhappy with TV and cable proposal

To the Editor:

Please save us from cable television.

I have two sets, both not new and both black and white. I sit we get cable TV, I am leaving mine off.

I was putting off buying a color TV set just because so much filth is shown that I have gone back to radio. I enjoy radio more.

Too bad that we have so many

greedy interests pushing their wares on the others.

Where has our free enterprise system gone? Liberty is just a word. How sad.

Lost driver aided by Venice firemen

To the Editor:

I would like to publicly express my thanks to two very nice people who live in Venice, Mrs. William Meehan, wife of the fire chief, and Tom Scaturro, assistant fire chief.

Returning late from taking my daughter to school at "somehow" late than in Clayton, Mo. I somehow got off of Highway 66

and into National City, where I was completely lost.

After driving for what seemed a considerable length of time, I came into Venice and hoped the police would be able to assist me. They drove past the station, and did not even stop. I had been told they were

Mrs. Meehan talked to the

assistant fire chief, who was off-duty, and he on his own time escorted me to 66 North.

I think you can and should be proud of the type of people such as Mrs. Meehan and Tom Scaturro who live and serve in the Venice community.

St. Margaret Mary anniversary

St. Margaret Mary Parish celebrated its 10th anniversary with a liturgy of Thanksgiving service at the church, followed by a family social hour in the parish hall.

Several parishioners reviewed the history of the church and school, stating that the late Monsignor Michael Costello, then pastor of Sacred Heart Church, was instrumental in building the original six room school annex on the present site.

The annex became known as St. Margaret Mary Parish and School in July 1964. The Rev. A. J. Schwellenbach was the first pastor.

Prior to completion of construction, church services were held in the Wilson School cafeteria each Sunday morning. Other priests who have served at St. Margaret Mary Church include the Rev. Hugh P. Cassidy, the Rev. Edward Groesch and the Rev. Robert Becker.

Legion auxiliaries meet in Venice

About 100 representatives of American Legion Auxiliary units in the 22nd District attended the fall district meeting during the weekend at Venice-Madison American Legion Post 307.

Welcoming remarks were made by Venice Mayor William "Mike" Ebersold, Mrs. Grace

Hormann of Venice-Madison Auxiliary Unit 507, and Mrs. Ina Campbell, District 22 president, who was in charge of the business session.

The advancement of colors ceremony was conducted by Post 307 Junior Legion Auxiliary.

Mrs. Shirley Holtgreve of

Belleville Unit 58 introduced special guests, including Stanley Brewer, 22nd District commander, Alton Post 796, and Richard Pittenger, Post 307 commander.

Others who were introduced and briefly addressed the assembly, were Herb Neff Sr., 22nd District vice commander;

William Barks, Tri-City Post 113, Madison-Bond County Council; Mrs. Teresa Brewer of Alton Unit 796, vice president, Madison-Bond County Council Auxiliary; Mrs. Adeline Drury of East Alton, Madison County chapters, 8 and 40; and Mrs. Viola Mahood, St. Clair County chapters, 8 and 40.

Committee chairmen reported on district activities and resolutions were introduced and approved.

WE WISH to express our sincere thanks to all of our friends, relatives and neighbors for their kind expression of sympathy extended to us during the recent bereavement, the loss of our dear brother LOUIS REIMLER. A special thanks to Pastor Arvin Twietmeyer for his comforting words and prayers, the organist and pianists, and to all the wonderful people who sent flowers, memorials and food. Your kindness was deeply appreciated. THE FAMILY OF LOUIS REIMLER 32 10 31

In loving memory of LUSTER H. METCALF, Nov. 1, 1972. We often sit at the table when we are all alone. For memory is the only friend that grief can call its own. Like hyacinths by the roadside. When all other things decay, Our love for him will still keep green. And never fade away. WIFE AND DAUGHTER 33 10 31

Hans Freudenthal at SIUE

Hans Freudenthal, editor of "Educational Studies in Mathematics," will conduct an informal educational dialogue with area teachers administrators, and Southern Illinois University at Edwardsville students and faculty members Saturday at SIUE.

The session will be held from 9:30 to 11 a.m. in Room 0303 of the Peck Building. Coffee and rolls will be served.

Freudenthal is director of the Instituut Ontwikkeling Wiskunde Onderwijs and author of numerous mathematics texts, including the recently published, "Mathematics As an Educational Task." He also is a poet and novelist.

Netherlands. He holds a doctorate from the University of Berlin and honorary doctorates from Humboldt University and the Erlangen Institute.

This will be Freudenthal's third visit to the St. Louis area under the auspices of the Area Teachers' Center Project of SIUE. He is conducting a guest course for teachers at the St. Louis Area Teachers' Center in Clayton through Friday.

The teachers' center project is funded by a grant from the National Science Foundation through SIUE. All activities of the teachers' centers are available to educators without charge.

Simon leads in spending in Congress campaign

By AL MANNING
SPRINGFIELD — Paul Simon is leading the congressional campaign spending derby in Illinois.

The former lieutenant governor, who is a candidate for Congress from the 22-county Southern Illinois district, received \$133,900 in contributions by Sept. 1, according to records on file in the Index Division of the Secretary of State's office. The report shows he spent virtually all that he received.

By comparison, Simon's Republican opponent, Val Oshel, a former mayor of Harrisburg, received \$26,000 and spent \$20,835.

Another Democrat on the political comeback trail is a close second to Simon in spending. Former Congressman Abner Mikva of Evans-ton raised \$129,668 by the reporting deadline.

Mikva is challenging Sam Young of Glenview, who is no slouch when it comes to raising campaign money. He has \$110,490.

When Young defeated Mikva in 1972, together they combined to spend over \$400,000 during the campaign, the largest amount spent for a congressional race in Illinois and undoubtedly one of the largest amounts spent anywhere in the nation.

Ranking up there in greenbacks is State Rep. Henry Hyde, R-Park Ridge, who had two committees raise \$96,647. His opponent, Edward Harnahan of Chicago, the former Cook County state's attorney raised \$36,148.

Clifford Carlson, R-Geneva, was next in line with \$58,702. His Democratic opponent, Tim Hall of Dwight, had no September report on file as required by law.

The Findley for Congress Committee, the main committee for incumbent U.S. Rep. Paul Findley, R-Pittsfield, reported receiving \$54,380 during this calendar year.

Former Rep. Peter Mack of Springfield, Findley's opponent, received \$5,361 through his Volunteers for Peter Mack. In addition, he received \$17,110 as an individual candidate, bringing the total to \$22,471. Of that total, \$8,997 was a loan Mack made to himself for campaign purposes.

Here are the totals in other Central Illinois races:

21st District Rep. Edward Madigan, R-Lincoln, \$29,424; Richard Small of LeRoy, \$14,312;

22nd District — Rep. George Shipley, D-Olepey, \$17,590; William Young of Danville, \$27,210;

18th District — Rep. Robert Michel, R-Peoria, \$25,609; Stephen Nordvall of Peoria, \$3,153.

Two Illinois representatives who became national figures of sorts during the televised impeachment hearings of the House Judiciary Committee, Tom Railsback, R-Moline, and Robert McClory, R-Lake Bluff, received \$29,509 and \$5,580, respectively.

Railsback's opponent, Jim Gende of Moline, did not have a September report on file as

required by law. McClory's opponent, Stanley Beetham of Barrington, received \$15,022.

In the race pitting two former state representatives against each other, incumbent U.S. Rep. George O'Brien, R-Joliet, is ahead in the money race. He's received \$28,448. By comparison, John Houlihan, now the administrator of the Illinois Veterans' Commission, has received \$6,321.

According to the final reports from 1972, the winning candidates in Illinois spent as little as \$10,000 and as much as \$220,000. Altogether, candidates spent \$1.8 million for the 24 Congressional seats.

A Chicago law firm with strong political connections was paid \$76,240 by the Capital Development Board during the last fiscal year.

The lawyers, Sherwin Zetlin and Stephen Schwab, are paid \$50-per-hour. In one month alone they were paid \$11,180.

During the March primary election, Schwab headed New Faces '74, a Chicago group which bankrolled the campaigns of several legislative candidates aligned with Gov. Dan Walker.

Schwab is president of the Committee on Illinois Government, a liberal offshoot of the board's caseload. The board's \$24,000-a-year full-time attorney quit in January after a dispute involving another lawyer hired on an hourly basis.

At that time Le Fevre and Atty. Gen. William Scott's office argued about who has the right to hire and fire attorneys for the state agencies. That dispute blossomed into a full-blown argument which tipped off the legislature during the end of the June session.

The original contract for the law firm was signed in May of

1973 and called for Zetlin to perform legal consulting services. It was amended a few weeks later to say "services shall be performed by the law offices of Zetlin and Schwab under the supervision of Zetlin."

Vouchers show the firm got off to a relatively slow start, but now averages over \$8,000-per-month from the Capital Development Board alone. During the first six months of this year, they were paid \$51,663.

Donald Le Fevre, executive director of the board, said the board needs to hire four attorneys.

"We are looking all over," Le Fevre said in an interview. "Let me know if you know of any. We are unable to hire anyone with experience. We could hire someone in their first year out of law school, okay, but we need someone with experience. We handle 7,000 contracts a year."

The Capital Development Board is a relatively new agency which is responsible for all state government, including university, construction. They also handle state grants for local school districts.

Le Fevre said the law firm has had four lawyers handling the board's caseload. The board's \$24,000-a-year full-time attorney quit in January after a dispute involving another lawyer hired on an hourly basis.

At that time Le Fevre and Atty. Gen. William Scott's office argued about who has the right to hire and fire attorneys for the state agencies. That dispute blossomed into a full-blown argument which tipped off the legislature during the end of the June session.

North coronation, play in final performance tonight

The second and final performance of the comedy "A Funny Thing Happened on the Way to the Forum" will be presented at 8 p.m. today in the GCHS South auditorium.

The presentation of the North Royal Court and the Queen and her Escort will take place immediately following the play. The play and the Court were presented Wednesday night.

North Fall Festival '74 activities will continue Friday when North plays Mattoon in football at 8 p.m. on the South field.

Following the football game, the Fall Festival '74 dance will be held in the North cafeteria. Music will be furnished by

Ahlvers-Dunn wedding

Mr. and Mrs. Richard L. Ahlvers of Winston, Ore., are announcing the recent marriage of their son, Randy A. Ahlvers, to Miss Patty Dunn of Oxnard, Calif.

The double ring ceremony was performed atop Holy Cross Mountain beneath the illuminated cross by the Rev. Welby of St. John Lutheran Church of Oxnard.

Attending the bride were her sisters, Mrs. Carleen Block, matron of honor, Mrs. Terry, Caldwell, bridesmaid.

The groom chose his brother Frank E. Ahlvers as best man, and David Scholtz as groomsmen.

The flower girl was Michelle Block, niece of the bride, and the ring bearer was Kenneth Ahlvers, brother of the groom.

Ushers included Monte Grant, Glen Riggs and Joe Palwell. The bride wore a A-line gown of off white satin trimmed around the neck and cuffs with embroidered rosebuds. Her finger tip veil was held in place by a white satin pillow hat enhanced with seed pearls.

The attendants selected floor length dresses of orchid organdy with matching veils. The bridegroom is serving in the U. S. Navy and is stationed at Point Mugu, Calif.

The newlyweds will reside in Ventura, Calif.

Bunko-Ettes meet at Ebling home

The October meeting of the Bunko-Ettes Club was held in the home of Mrs. May Ebling, 2910 Denver St.

Games were played and prizes were won by Mesdames Dorothy Barnett, Angie Buchler, Juanita Blevins, Helen Lipchik and the hostess.

Refreshments were served by Mrs. Ebling to those named and to Mesdames Julia Portell, Florida Bateson, Rose Druhe, Leona Delaloye, Ruth Partey, Helen Santagato and Evelyn McCollegan.

Kosteckis return from Germany

Army Specialist Four Joe Kostecki and his wife, Donna, have returned from Darmstadt, Germany, and the former has received his discharge from the military at Fort Dix, N. J. They are residing at 925a Washington Ave., Madison.

The couple has spent the past 18 months in Germany, where Kostecki was stationed near Darmstadt with the 547th Engineers Battalion. He entered the Army two years ago.

While in Europe, the Kosteckis toured several countries, visiting Paris, France, Rome, Italy, Holland, Belgium, Switzerland, Luxembourg and the United Kingdom.

They also vacationed at a ski resort at Garmisch, Germany, and viewed a Grand Prix auto race at Brands Hatch, England. Mrs. Kostecki, the former Miss Donna Wargin, is planning to return to the job she held previously at Midwest Card Co., St. Louis. Both she and her husband are 1972 graduates of Madison High School.

The ex-serviceman is a son of Mrs. Ustine Kostecki, 802 Lee St., Madison. His wife's parents, Mr. and Mrs. Nick Wargin, reside at 919 Grand Ave., Madison.

Miss Lynn Dyer becomes Mrs. William C. Ogden

Miss Lynn Dyer, a daughter of Mrs. William R. Dyer, 6 Patricia Lane, and the late William R. Dyer, became the bride of William C. Ogden, son of Mr. and Mrs. Arthur Luer, 6 Lou Juan Hills, Edwardsville, Oct. 4 in the Southern Illinois University Religious Center at Edwardsville.

The Rev. Russell Wigfield officiated at the double ring ceremony at 7 o'clock in the evening. Organist Cora LaMond

furnished a program of musical selections during the service. For her wedding, the bride chose an ivory jersey gown designed with an Empire bodice and a long, softly flowing skirt ending in a chapel train.

Floral Venise lace motifs accented the high neckline and cuffs of the long tapered sleeves and encircled the Empire waist.

She wore a lace camelot headpiece to secure a lace bordered fingertip veil, and she held a bouquet of Abby roses and greenery.

Mrs. Marshall Dyer, a sister-in-law of the bride, served as matron of honor. Miss Carol Luer, the groom's sister, Mrs. Wayne Stagg, a cousin of the bride and Miss Lauri Ann Dyer, the bride's niece, were bridesmaids.

The chose identical floor length dresses in mint green crepe knit fashioned with square necklines, long full sleeves and natural waists. Each carried a plateau basket of dried flowers in fall colors and baby breath.

The flower girl, Margaret Carol Dyer, also a niece of the bride, was dressed in a short white organdy frock and bonnet trimmed with mint green ribbon. She carried a fluted basket of yellow rose petals festooned with green streamers.

Riley William Blue attended the groom as best man. Marty Aerne, Mark Caldwell, Austin Lewis, Michael Meehan and Jerry Kadas completed the corps of groomsmen and ushers.

Brent Lambert was the ringbearer.

Guests were received by the newly married couple at a reception at the Collinsville VFW Hall.
